Education

Knowledge

Excellence

Down the Memory Lane

Late Prof. Muzaffar Husain Meer

A founder of Christian Eminent Group, Who established, together with his other family members, a higher secondary school, was a dedicated soul and an undying spirit who worked from dawn till dusk for the well-being of this institution.

Forty Five years ago, in the year 1977, laid its pious foundation. His memory lingers in whatever the members of Christian Educational and Cultural Society do for the betterment of this College, with a solemn desire to lift it to the status of a professionally managed modern College, with a maximum number of newly emerging professional and job-oriented courses, and thus create high quality human resource for the country.

He inspired us to dream, to live for a cause and to never settle until the dream is realized.

His dreams have been coming true

*The woods are lovely, dark and deep,
But I have promises to keep,
And miles to go before I sleep,
And miles to go before I sleep.*

**Late Prof. Mohammad Husain Meer
(1941-2019)**

He was a visionary and humanist to the core, who could foresee the emerging educational needs and career aspirations of the young generations and made it a mission of his life to fulfill them.

His contribution to the cause of education and learning was immense. It helped to make the city of Indore an education hub in central India. The prominent institutions he founded and nurtured, including this college, are monument to his vision and stature. An eminent professor of English himself for several long years, he also served as its head of department at prestigious Holkar Science College, Indore.

People like him never cease to exist. In the landmark institutions he built, and in our hearts and minds, Prof. Meer Saheb, lovingly known as BADE SIR, will ever continue to live, inspire and light our path.

The legacy goes on

*Imagination Unbound,
Potential Unleashed*

- Recognised by Deptt. of Higher Education, Govt. of M.P. and affiliated to D.A.V.V., Indore
- An Autonomous Institution
- Accredited with Grade "A" by NAAC - UGC in two consecutive cycles.
- Centrally located campuses in the city
- Systematic and well planned academic calendar
- Timely conduction of examinations and declaration of results
- Multidisciplinary curriculum with a wide variety of subjects
- Updated courses and syllabi as per the requirement of present scenario
- Excellent and regular teaching by committed and experienced teachers
- Personalised mentoring, inspiring guest sessions
- Well organised co-curricular activities
- Village exposure programmes for social sensitization through NSS
- Personality development, career making activities and better placements
- State-of-the-art infrastructure with well equipped laboratories, well stacked library and smart classroom facilities

VISION

To emerge as a prominent educational institute of newer horizon to address global challenges of 21st century through assured quality and job oriented educational programmes.

MISSION

To produce global citizens with broad based knowledge, creativity, effective communication ability and critical interpersonal skills necessary to meet today's & tomorrow's challenges successfully.

From the Desk of Management

I have always been passionate about education because I believe that inception of spirituality is knowledge and if we can inculcate the rich Indian values and heritage along with professional training, a flawless character for a global competence can be developed -

Prof. M.H. Meer

Founder of Christian Eminent Group of Institutions

His name was synonymous with education. It was he who envisioned the present day scenario of professional education and job opportunities, and pioneered to make it a reality.

Over two decades ago, a small sapling at inception, the College grew exponentially into a large multi-branch tree and achieving several milestones including the status of an Autonomous College by UGC, and 'A' Grade in two consecutive cycles by NAAC in appreciation of the quality and excellence of its education and environment.

Enjoying its Autonomy since inception, the college has been framing its own upgraded and industry- oriented courses of studies, conducted all its tests and examinations, and ensured timely declarations of results — all as per the academic calendar planned, and declared well in advance.

Education is not mere accumulation of facts; it is preparation for life itself imbued with wisdom and ethics. It develops the personality of the students, shapes their character and nurture intellect to lead a successful life. Christian Eminent College has grown to be a prestigious name in the field of education by providing all facilities which are required by a student to excel meticulously.

Continuing focus on academic excellence, in upcoming years, pedagogy balanced with pastoral care — will be supported in equal measure to enhance the college standing as one of the reputed College in India. Smart Class Rooms with modern teaching aids will continuously be enhanced. Continuing the value based & quality education, collaborative research activities with Institutes and Industries of national and international repute will be more emphasized. Prominence will also be on more Skill Based Certification Courses including foreign languages certification. Consistent with global scenario and live exposure to the students, foreign tours will be initiated.

Here, we encourage the students to imbibe the fine teaching-learning ambience to evolve into a class of competent, innovative and dynamic professionals for the various sectors, for self-employment and for academic & research institutions of socio-economic importance.

In the current year, 2022, the institution has entered its twenty sixth year of glorious existence, and we have celebrated its SILVER JUBILEE last year. Surly, pursuant to the dream of its founder, the institute is proceeding along a Golden Path of academic excellence and will also celebrate its Golden Jubilee in time to come with new dimensions of its achievements and success.

I warmly welcome the aspiring students into the CEC fraternity. I hope you will have a tremendous learning and joyful experience here.

Our belief continues .. excellence is a journey , not a destination.

Sameer Meer
Chairman

Message

From the Desk of Director

Prof. H.N. Gupta
Director

Science, technology and globalisation are transforming our lives at an unprecedented rate, and the need to prepare for the future is stronger than ever before. We have a wide range of options and a daunting task ahead of us. With this in mind, we continue to make steady progress toward our goal of preparing students who are responsible and willing to contribute to the construction of the country. The college infrastructure, including its teaching labs and other facilities, is among the best in the country.

Besides great education, our teachers provide a significant contribution to Academia through training, articles, seminars, and conferences, in addition to their work with students. We, at Christian Eminent College, are determined to instil human values, emotional intelligence and professional ethics in our students.

We, acknowledge our utmost responsibility as an educational institute to continuously transform our teaching- learning practices and stimulate innovation to raise the academic performance index.

Message

From the Desk of Director

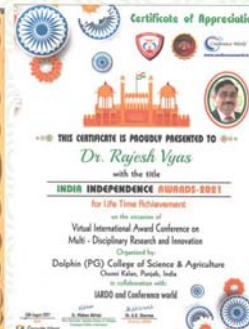

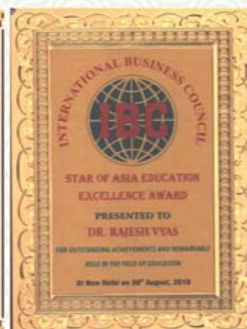

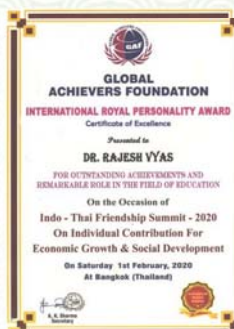

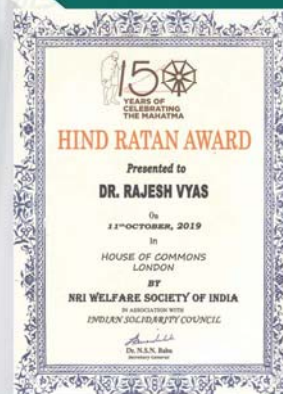

Dr. Rajesh Vyas
Principal & Director (Academics)

Former Member, Executive Council,
Devi Ahilya Vishwavidyalaya, Indore

To rise to the position of a leader in today's knowledge-based economy, one must be intellectually competitive. To accomplish this, we make a continuous effort to provide students with a well-rounded education that emphasises both theory and application. To deal with real-world problems successfully and efficiently, a lot of intellectual ideas, clear basics, and good practical understanding are at the heart of our teaching style.

At Christian Eminent, we prepare students for the jobs of the future and impart a well-rounded education under the guidance of instructors who are knowledgeable, skilled, and experienced. Our laboratories are constantly being upgraded to meet the needs of the dynamically evolving scientific sectors in which they operate. Students who receive a high-quality education are guaranteed great success in their lives and a place in the world's most prestigious multinational companies. With high-quality facilities and distinguished faculty members, Christian Eminent College has been set up to make this possible. Since our inception, we have been attaining academic excellence day by day, and in the year 2017-18 we successfully achieved NAAC accreditation with an "A" grade for the second cycle also. With the extension of autonomous status, our efforts will be to enhance our students' potential to meet the challenges of the world. We encourage an open exchange of ideas and sincerely desire to succeed by heightening energy and enthusiasm.

Message

From the Desk of Director (Admin.)

Prof. Y. S. Chouhan
Director (Admin.)

When it comes to education, empowering and cultivating human beings to their fullest potential are the primary goals. It is our sincere belief that God has blessed each of us with a unique set of abilities and gifts. A well-known and leading institution in central India, Christian Eminent College, is a place where every student can realise his or her full potential via a value-based and wholesome education with a global outlook.

We're all aware that we live in a complex, rapidly evolving society that offers both opportunities and obstacles. Everything in this case is up to the individuals and how they react to the situation with the appropriate attitude. Every day of study at Christian Eminent College is a memorable day for students that enter our doors, with a heart and mind motivated to grow even more than they did the day before. Good administration is at the heart of every successful organization, and Christian Eminent College is a shining example of such a setup. Here, competent and effectual administration of all academic and managerial activities provides a better platform to groom the skills of students.

The true hallmark of education is the one by which character is formed, strength of mind is increased, the intellect is expanded, and by which one can stand on one's own feet. For our students, we provide a wealth of resources to assist them in their pursuit of knowledge, knowledge acquisition, and wisdom application. To all students, I extend a warm welcome and assure you that our prestigious "A" Grade Autonomous Institution will provide a supportive and caring atmosphere in which you will grow into capable and compassionate adults.

The Institute

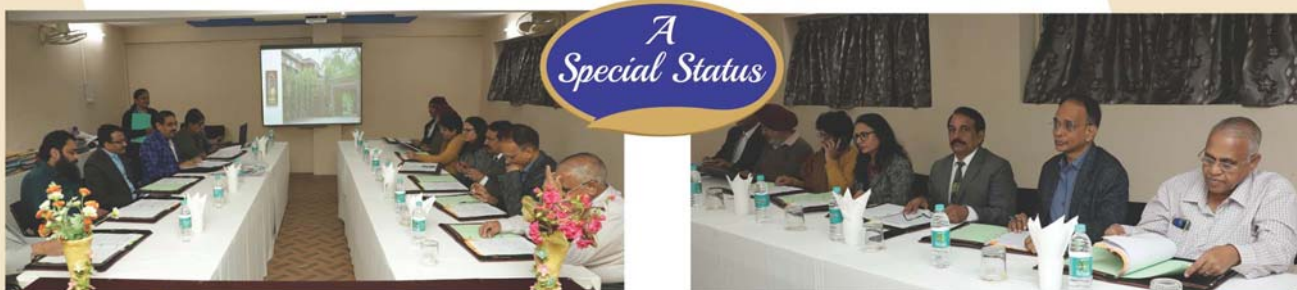

Christian Educational and Cultural Society a voluntary non-profit organization, registered under M.P. Society Registration Act. 1973, established Christian Eminent College in 1996, in fulfillment of the solemn desire of the founders to provide quality; value based and professional education in the area of Management, Computer Science, Information Technology, Biotechnology, Commerce, and other emerging disciplines. The College has the approval of Govt. of M.P., and is permanently affiliated to Devi Ahilya Vishwavidyalaya, Indore and also recognized under section 2(f) & 12(B) of UGC and reaccredited with "A" Grade of NAAC, UGC. The college was conferred with AUTONOMOUS STATUS and later EXTENSION of it for a period of next six years by the University Grant Commission. Catering to the growing need for tech savvy managers in the liberalized Indian industrial environment, the college has blossomed into a premier institution in the field of professional education. It has charted phenomenal growth since its inception by launching novel professional courses in emerging disciplines having good job potential. As per the UGC guidelines the college has implemented CBCS System and looking to the current needs, various Skill Enhancement Courses have been introduced as a part of course curriculum.

Christian Eminent College has excellent infrastructural facilities in the form of spacious classrooms, laboratories, library, a spacious hall for indoor games as well as conduction of various activities, a large play ground for various outdoor games and sports. The College takes pride in having a team of highly qualified, experienced and dedicated faculty and friendly administrative staff.

The College is located in the heart of the city of Indore. It has two spacious campuses in close proximity of each other with beautiful surroundings. Campus No. 1 is located at Ravi Shankar Shukla Nagar, Main Road; Campus No. 2 is located nearby in the Press Complex, Indore, both having close proximity with busy A.B. Road, the National Highway. The L.I.G. crossing is the nearest point to arrive for the newcomers. Distance between the College and Railway/ Bus station is 5 kms and Airport is about 10 kms. In addition to the above two academic campuses, the college also has its own playground for games and sports facilities developed in three acres at Tulsi Nagar.

An Autonomous Institute

The UGC Document on the 12th plan profile on higher education in India highlighted the importance of autonomous colleges, clearly stating that, "The only safe and better way to improve the quality of education is to promote the autonomous colleges. Colleges with academic and operative freedom are doing better and have more credibility." The Education Commission (1964-66) had recommended college autonomy, which, in essence, is the instrument for promoting Academic Excellence. The National Policy on Education (1986-92) formulated the objectives for Autonomous Colleges, such as, freedom in curriculum and other academic activities, examination and evaluation process etc. The autonomy is given to only those colleges that have excellent academic, cultural, sports, other co-curricular and administrative record, state-of-the-art infrastructure, research activities and, above all, minimum ten years of its existence, and after the verification of the mentioned facts by UGC's high-power Committee. The UGC and DAVV, with all their necessary conditions, were in agreement for autonomy to be conferred on Christian Eminent College and then awarded Autonomous Status in the year 2010 for a period of six years. Later, after the close observation of academic and other attainments UGC awarded Extension of Autonomous Status from the session 2016-17. With the privilege of autonomous status, the college accelerates excellence in all its academic programmes, examination system and other activities. Results are declared on time and everything takes place as per the college calendar.

BOARD OF STUDIES

Composition as per U.G.C. guidelines for Autonomous Colleges

- Computer Science & Electronics
- Biosciences
- Chemical Sciences
- Commerce & Management
- Physics
- Mathematics & Statistics
- Foundation Courses

All Heads of the Departments act as Chairpersons of the Boards of Studies of their respective disciplines, Entire Faculty of each specialization as Members, Two Senior Academicians as Academic Council Nominees, One subject expert as University Nominee, One Industry/ Corporate Sector Person as Governing Body Nominee and One Post Graduate Meritorious Alumnus nominated by the Principal. The leadership and governance of the college is based on the principle of participatory, democratic and transparent approach. All the members of College Governing Body are from academic sphere. The former President of Foundation Society Late Prof. M. H. Meer himself was from academic world and was a former Professor and Head, Department of English at Government Autonomous Holkar Science College, Indore which has a glorious history of more than 125 years of its establishment. The College Director retired from the same Government Autonomous Holkar Science College, Indore as Professor and Head. After his retirement, he was nominated by the State Government in the Governing Body of the same college as Chairman. It's a matter of pride that Vice Chancellors of two state Universities have also been associated with the College Governing Body. Some other members are senior educationists of reputed institutions of the city and are also associated with NAAC as members of NAAC Peer Teams for accreditation process of various institutions of the country.

An Autonomous Institute

THE EXAMINATION CELL

With the award of AUTONOMOUS STATUS as per UGC norms its own Examination Cell was established in the College. It is a matter of pride that due to the efficient and transparent functioning of this cell, all the examinations are conducted smoothly and timely with the student feeling fully satisfied and exultant. Also, the examination results are declared as per schedule and in time so that the students are able to understand their positions well before the commencement of the next semester session. The academic calendar, too, is made known at the beginning of the semester enabling the students to know the date wise activities for the entire semester. The students' performance is evaluated on the basis of Internal and External Examinations. The Internal Academic Performance of the student is continuously evaluated through internals: CCE, assignments, practicals, project work, seminars, etc., and the students are required to submit all the assigned work in due time period to the respective faculty of the Department. The External Evaluation is carried out in the form of Semester Examinations that are conducted at the end of every semester.

After the completion of Internal/External evaluation, the Examination Cell prepares the Final Results and after countersigned by the Devi Ahilya University, Indore, the results are declared and at once displayed ONLINE on the college Website so that the students can know their results immediately. All the examination related activities, from the submission of examination forms till declaration of results, are completely online. All these activities related to examinations are conducted successfully by the Examination Cell comprising Controller, Deputy Controllers and other associate staff.

The entire process is carried out in a separate building/rooms having accommodation for Controller, Deputy Controllers, Valuation In-charge, Valuation work, Storage of examination materials and all other related work.

Seven Steps to Quality

Quest for excellence Understanding the concept Action-orientation
Learner-centric approach Innovation for change
Training to build competencies Year-round activity

INTERNAL QUALITY ASSURANCE CELL (IQAC)

The Internal Quality Assurance Cell (IQAC) was established in the College at the instance of the National Assessment and Accreditation Council (NAAC) for quality sustenance measures.

The Cell ensures continuous improvement in the entire operations of the College and it also assures stakeholders connected with higher Education, namely parents, teachers, staff, would be employers, agencies and society in general, of its own quality and probity. The formation of the IQAC is as per the UGC and NAAC norms. There are external members in it as prescribed by the guidelines of NAAC, and they are eminent persons in their respective fields. Dr. Sunanda Jain, a member of IQAC, is a leading and senior gynaecologist in the city and was associated with the affiliating university as a member of its Executive Council. Industry persons, former and present students and persons from local community are also part of IQAC. They all have significantly contributed towards the growth of the college by giving their valuable suggestions and guidance.

IQAC

Infrastructure

The Learning Resources

Classrooms

The College has fully equipped **Class Rooms & Seminar halls** with modern furniture, glass/ceramic-writing boards and facilities for audio visual projections.

Smart Classrooms are also available for interactive learning, designed for teachers with the essential tools to manage classrooms, assess students and encourage collaboration.

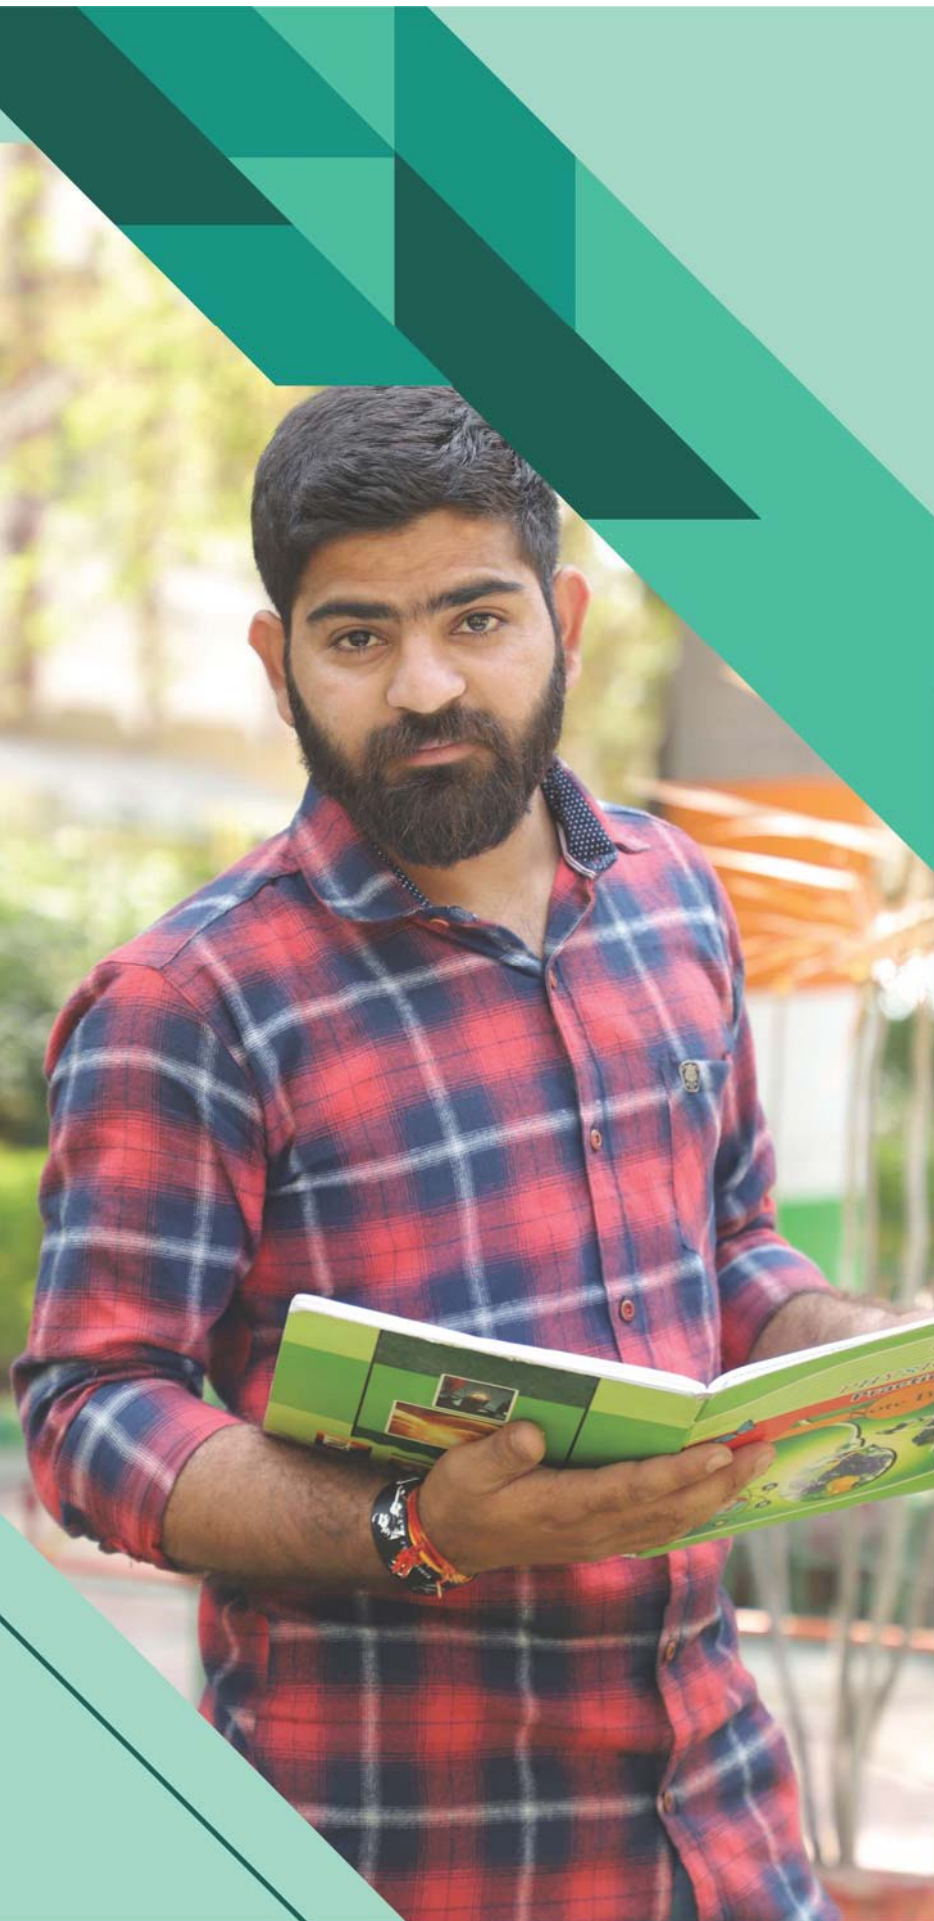

IT Arena

The College has always emphasized on imparting quality training of higher-end technologies to students of advanced computing bearing in mind that 21st century is the age of Information Technology. The College has spacious and state-of-the-art Computer Laboratories with a large number of computers having latest facilities, hardware, and a wide range of software & internet facilities on every node.

The hi-tech **Computer Centre** comprises networking facilities, such as, a separate WINDOW NT Server, LINUX Server, NOVEL Netware Server.

The college has Cloud Campus agreement with Microsoft for licensed software.

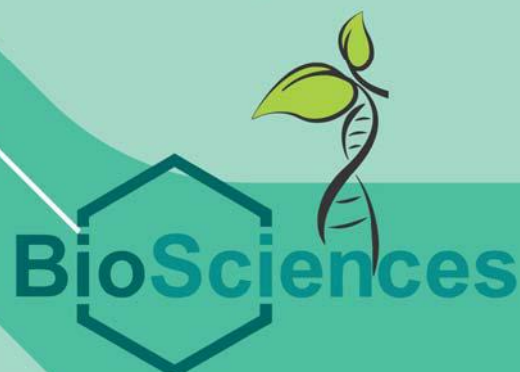

Infrastructure

The Learning Resources

Bioscience Laboratory

The Bioscience Laboratory is in a well-endowed setting. The laboratory is equipped with the latest and cutting-edge technology for the purpose of enhancing research and providing current information and practical exposure of Biotechnology, Microbiology and related areas to the students.

Chemistry Science Laboratory

This Laboratory is designed for the students of Chemistry and Pharmaceutical Chemistry both to get hands-on experience necessary to perform the practicals with the required speed, precision and accuracy expected in the disciplines.

chemical science

The Learning Resources

Physics & Electronics Laboratory

The students are encouraged to engage in R & D activities and necessary guidance is provided in this direction. The facilities are further in constant process of upgradation and augmentation & are geared up to meet the ever increasing demands for the field exposure among the students.

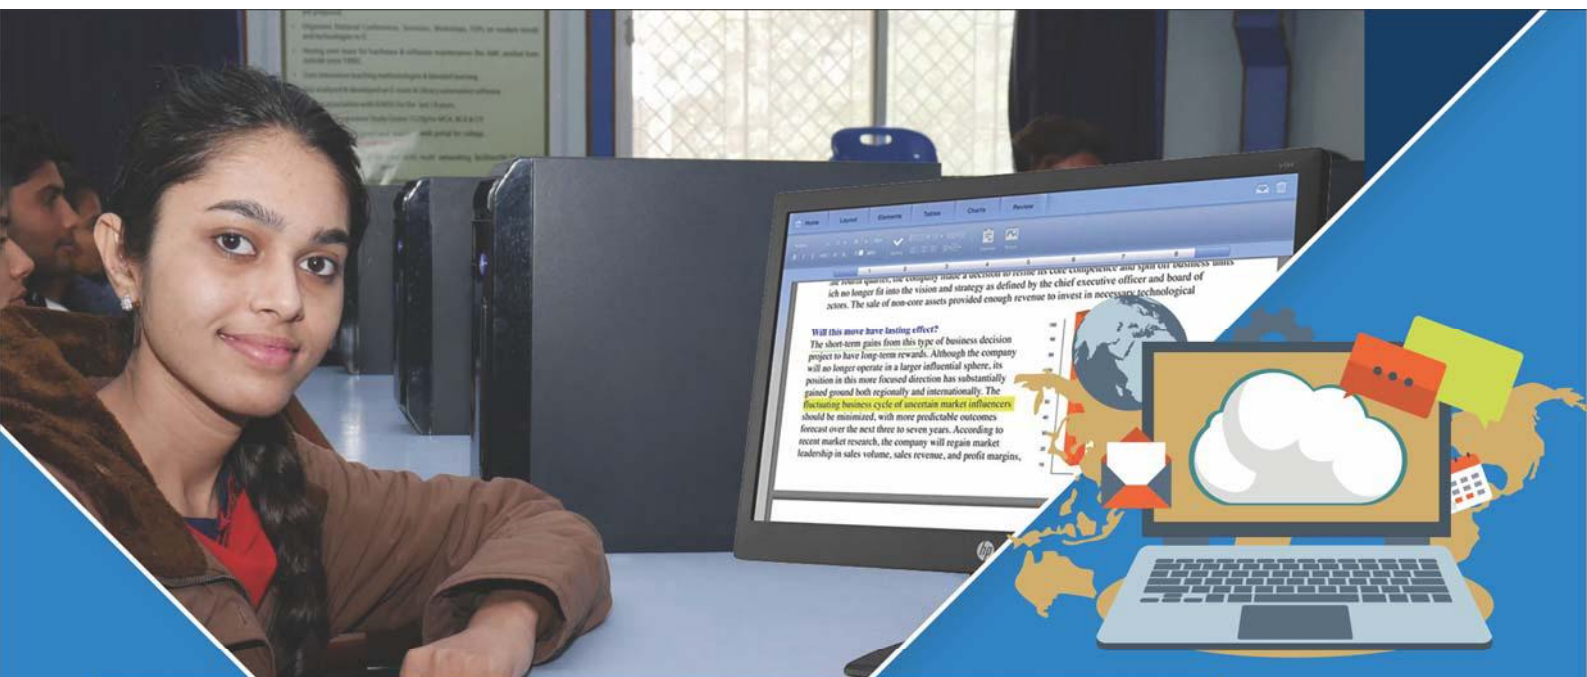

Library

Library is the life and soul of any educational institution. The College Libraries have spacious halls with adequate facilities for stacking of books, reading desks and space for providing reprographics facilities and documentation center. The Libraries have a growing collection of the latest literature in all emerging disciplines. It is the nerve center of all intellectual and academic activities of the College. E-Journals and DELNET facilities are also available in the libraries.

Infrastructure

UNDER GRADUATE PROGRAMME @ NEP 2020

Government of India announced New National Education Policy (NEP) 2020 and Higher Education Department, Government of Madhya Pradesh has implemented it right away from the academic session 2021-22 in all the undergraduate courses. As per the course structure defined in NEP 2020, undergraduate students have to study Major, Minor, Generic Elective, Skill Enhancement, Vocational and Ability Enhancement Courses in their course of studies. Field Project/Internship is also an essential part of course curriculum and every student has to undertake it compulsorily.

Duration of the undergraduate course is Three-Years (03-Years) and after the successful completion of all prescribed courses, the student will be eligible to receive Bachelor's Degree. A student has also an option to opt for the Honours Degree, and, the duration of which is Four-Years (04-Years). Only those students will be eligible for Honours course, who have successfully completed their Three-Years (03-Years) Bachelor's Degree with minimum CGPA of 7.5.

Looking into the global scenario of educational arena and to provide maximum benefits to the students for their bright future, the institution has taken advantage of its Autonomous Status and adopted Semester System for all its undergraduate programmes.

Departments & Academic Programmes

DEPARTMENT OF COMPUTER SCIENCE & ELECTRONICS

The front line Department of COMPUTER SCIENCE & ELECTRONICS was established in 1996 with the goal to produce hardcore professionals to meet global challenges. The department is a large one and thriving with a reputation for work in many branches of the discipline. It has dedicated, experienced and well qualified regular and senior faculty, excellent Computer and Electronics laboratories with state-of-art-facilities.

ACADEMIC PROGRAMMES & ADMISSION ELIGIBILITY:

MASTER OF SCIENCE (COMPUTER SCIENCE) ⇔ M.Sc. (C.S.)

2 years (4 Semesters)

A Bachelor's Degree of science discipline with two subjects being among Mathematics, Physics and Computer Science from a recognized University with at least 55% marks in aggregate.

POSTGRADUATE DIPLOMA IN COMPUTER APPLICATIONS ⇔ P.G.D.C.A.

1 year (2 Semesters)

A Bachelor's Degree of any discipline from a recognized University with at least 50% marks in aggregate. (SC/ST/OBC 45% marks in aggregate)

UNDER GRADUATE PROGRAMME @ NEP 2020

BACHELOR OF COMPUTER APPLICATIONS ⇔ B.C.A.

3 Years (6 Semesters)

BACHELOR OF COMPUTER APPLICATIONS (HONOURS) ⇔ B.C.A. (Hons.)

4 Years (8 Semesters)

The department offers Basic and Advanced Computer Courses as major Subjects for BCA Graduates along with Mathematics, Physics, Electronics and other related subjects as Minor/Elective Subjects. These subjects are also available as Major subjects in other departments. Subjects available in other departments of the college are also provided as Minor/Elective subjects for the students.

BACHELOR OF SCIENCE ⇔ B.Sc.

3 Years (6 Semesters)

BACHELOR OF SCIENCE (HONOURS) ⇔ B.Sc. (Hons.)

4 Years (8 Semesters)

Computer Science/ Information Technology is available as Major Subject in the department, along with Mathematics, Physics, Electronics as Minor and Elective Subjects. These subjects are also available as Major/Minor subjects in other departments of the college.

Note: All major, minor, elective and other courses are subject to their availability in the college and/or as per the guidelines of Higher Education Department of M.P. Government.

In addition to the above, various certificate, add-on and short-term courses are also available in the department for the benefit of students and their future career prospects.

A Rare Privilege

Indira Gandhi National Open University, New Delhi, has selected Christian Eminent College as the programme study centre for conducting the computer related academic programmes, namely:

1. M.C.A. (Master of Computer Application)
2. B.C.A. (Bachelor of Computer Application)
3. C.I.T. (Certificate in Information Technology)

For more information contact : 0731 -2558065

Departments & Academic Programmes

DEPARTMENT OF BIOSCIENCES

The Department of BIOSCIENCES was established in 2002 to produce hardcore professionals to meet global challenges. It provides an exciting and supportive environment for graduate and post-graduate students. In addition, the department has close links with Chemical Sciences and Computer Science departments. There is an enriching schedule of external seminars by renowned speakers. The department has dedicated, experienced and well qualified faculty and the laboratory with state-of-art-facilities.

There is an immense career scope for Biotechnology Graduates with great job opportunities as Forensic Science Technicians, Medical Scientists, Microbiologists, Environmental Biotechnologist, Agricultural Biotechnologist, Geneticist, Molecular Biotechnologist and R&D Scientist etc.

ACADEMIC PROGRAMMES & ADMISSION ELIGIBILITY

MASTER OF SCIENCE (BIOTECHNOLOGY) ⇌ M. Sc. (B.T.)

2 Years (4 Semesters)

A Bachelor's Degree of science discipline with Physical Sciences & Biological Sciences, Pharmacy, Agriculture, Veterinary Science, Fisheries or Bachelor's Degree in Engineering/Technology or Medicine (M.B.B.S.) from a recognized University with at least 55% marks in aggregate.

UNDER GRADUATE PROGRAMME @ NEP 2020

BACHELOR OF SCIENCE ⇌ B.Sc.

3 Years (6 Semesters)

BACHELOR OF SCIENCE (HONOURS) ⇌ B.Sc. (Hons.)

4 Years (8 Semesters)

Biotechnology is available as **Major Subject** in the department, along with Computer, Chemistry, Pharmaceutical Chemistry as Minor and Elective Subjects. These subjects are also available as Major/Minor subjects in other departments of the college.

Note: All major, minor, elective and other courses are subject to their availability in the college and/or as per the guidelines of Higher Education Department of M.P. Government.

In addition to the above, various certificate, add-on and short-term courses are also available in the department for the benefit of students and their future career prospects.

Departments & Academic Programmes

DEPARTMENT OF CHEMICAL SCIENCES

The Department of CHEMICAL SCIENCES was established in 2002. It provides an exciting and supportive environment for graduate and post-graduate students. The department has dedicated, experienced and well qualified faculty and the laboratories with state-of-art-facilities. The department hosts informative seminars by renowned guest speakers and industrialists. To enhance the entrepreneurial skills in students, the department regularly organises workshops.

There is an immense career scope for Chemistry and Pharmaceutical Chemistry Graduates with great job opportunities as Production Chemist, Safety Health and Environment Specialist, Scientific Data Entry Specialist, Research & Development Manager, Technicians in Industries, Water Quality Chemist, Microbiologists, Environmental Biotechnologist, Agricultural Biotechnologist, Geneticist, Molecular Biotechnologist and R&D Scientist etc.

ACADEMIC PROGRAMMES & ADMISSION ELIGIBILITY

MASTER OF SCIENCE (CHEMISTRY) ⇌ M.Sc. (CHEM.)

2 Years (4 Semesters)

A Bachelor's Degree of science discipline with Chemistry from a recognized University with at least 55% marks in aggregate.

UNDER GRADUATE PROGRAMME @ NEP 2020

BACHELOR OF SCIENCE ⇌ B.Sc.

3 Years (6 Semesters)

BACHELOR OF SCIENCE (HONOURS) ⇌ B.Sc. (Hons.)

4 Years (8 Semesters)

Chemistry and Pharmaceutical Chemistry are available as **Major Subjects** in the department, along with Computer, Biotechnology as Minor and Elective Subjects. These subjects are also available as Major/Minor subjects in other departments of the college.

Note: All major, minor, elective and other courses are subject to their availability in the college and/or as per the guidelines of Higher Education Department of M.P. Government.

In addition to the above, various certificate, add-on and short-term courses are also available in the department for the benefit of students and their future career prospects.

Departments & Academic Programmes

DEPARTMENT OF MATHEMATICS AND STATISTICS

The Department of MATHEMATICS AND STATISTICS was established in 1997. Mathematics being a fundamental subject, is essential for all fields of life and knowledge, and therefore the college started M.Sc. in Mathematics from the session 2011-12.

In the land of the great **Aryabhatta**, there are numerous career options in mathematics. It is a subject with logic, analytical thinking, and time management that helps students to scale their career. It is rewarding to teach one's passion and to lead others on the same path. Becoming a maths teacher is one of the best and most prestigious career options for maths graduate that one can hope for. A noble profession like teaching is always in need of experts to impart knowledge in schools and colleges. As per the US Bureau of Labour Statistics, till 2028, the job market for mathematicians is expected to grow by 30%. This opens up so many new avenues for students eager to learn mathematical science in all seriousness and with all devotion.

ACADEMIC PROGRAMMES & ADMISSION ELIGIBILITY

MASTER OF SCIENCE (MATHEMATICS) \Rightarrow M.Sc. (MATHS)

2 Years (4 Semesters)

A Bachelor's Degree of science discipline with Mathematics from a recognized University with at least 55% marks in aggregate.

UNDER GRADUATE PROGRAMME @ NEP 2020

BACHELOR OF SCIENCE \Rightarrow B.Sc.

3 Years (6 Semesters)

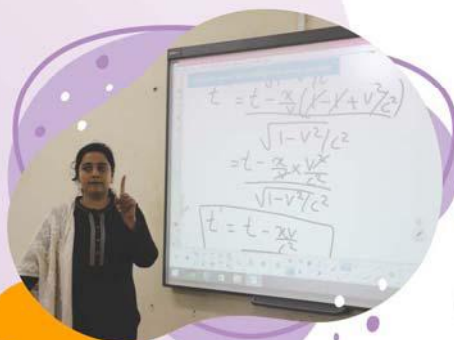

BACHELOR OF SCIENCE (HONOURS) \Rightarrow B.Sc. (Hons.)

4 Years (8 Semesters)

Mathematics is available as **Major Subject** in the department, along with Computer, Physics, Chemistry as Minor and Elective Subjects. These subjects are also available as Major/Minor subjects in other departments of the college.

Note: All major, minor, elective and other courses are subject to their availability in the college and/or as per the guidelines of Higher Education Department of M.P. Government.

In addition to the above, various certificate, add-on and short-term courses are also available in the department for the benefit of students and their future career prospects.

Departments & Academic Programmes

DEPARTMENT OF COMMERCE AND MANAGEMENT

The Department of COMMERCE AND MANAGEMENT was established in 1996 to provide job/industry oriented professional education through commerce, management and related fields at UG level. There are immense career options for commerce and management students that an individual can avail through the course. For better job opportunities students can choose different fields from a plenty of options. The best career options for commerce students are Chartered Accountant (CA), Company Secretary (CS), Marketing Manager, Investment Banker, Human Resource Manager, Chartered Financial Analyst (CFA), Certified Public Accountant (CPA), Cost Accountant. Post graduate programme (M.Com.) was started from the academic session 2005-06. Studying for a **Management Degree** gives graduates a broad knowledge of business, finance, economics and marketing, as well as a range of practical skills and work experience. Management graduates can work in a large variety of sectors, including the public, private and voluntary sectors. The job opportunities for management students are as Marketing Manager, Sales Manager, Financial Manager, Computer and Information Systems Manager, Public Relations Manager, Human Resources Manager, Tele Caller Executive, Showroom Manager, Event Manager etc.

ACADEMIC PROGRAMMES & ADMISSION ELIGIBILITY

MASTER OF COMMERCE ⇌ M.Com.

2 Years (4 Semesters)

A Bachelor's Degree in Commerce from a recognized University.

UNDER GRADUATE PROGRAMME @ NEP 2020

BACHELOR OF COMMERCE ⇌ B.Com.

3 Years (6 Semesters)

BACHELOR OF COMMERCE (HONOURS) ⇌ B.Com. (Hons.)

4 Years (8 Semesters)

Computer Applications, Tax Procedure, Economics subjects are highly in demand and therefore the department provides these job oriented subjects along with Accounts & Management subjects as Major/Minor/Elective subjects. Subjects available in other departments of the college are also provided as Minor/ Elective subjects for the students.

BACHELOR OF BUSINESS ADMINISTRATION ⇌ B.B.A.

3 Years (6 Semesters)

BACHELOR OF BUSINESS ADMINISTRATION (HONOURS) ⇌ B.B.A. (Hons.)

4 Years (8 Semesters)

The department offers Management as major Subject for BBA Graduates along with Economics, Marketing, Finance, Operation Research and other related subjects as Minor/Elective Subjects. These subjects are also available as Major subjects in other departments. Subjects available in other departments of the college are also provided as Minor/ Elective subjects for the students.

Note: All major, minor, elective and other courses are subject to their availability in the college and/or as per the guidelines of Higher Education Department of M.P. Government.

In addition to the above, various certificate, add-on and short-term courses are also available in the department for the benefit of students and their future career prospects.

Departments & Academic Programmes

INTRODUCING FACULTY OF ARTS

Liberal Arts and Humanities programmes have also adopted an innovative pedagogy with focus on a strong interdisciplinary foundation in Arts, Social Sciences and Humanities subjects along with specialisations in specific areas. The study of liberal arts inspires the development of the whole person through rigorous reading and writing along with active experiential learning inside and outside the classroom, in an atmosphere of academic and intellectual freedom and a close faculty-student engagement. A Liberal Arts graduate possesses the knowledge, a flexible range of skills, aptitudes, and equipped with a life-long curiosity and love of learning. They are prepared for a new world of possibilities to explore future opportunities in the field of arts and humanities. The humanities include the study of human society and culture as well as language and history. Under language studies, some courses look at how culture, history, economics and politics have influenced and been influenced by human languages.

The Faculty of Arts and Humanities is well known nationally and internationally. It offers high quality education at undergraduate and postgraduate levels in a variety of fields. Graduates are equipped with the skills of critical thinking, effective communication, and social responsiveness, and they have the ability to interact well in contexts of social diversity. After the Bachelor's degree, Arts offers an exciting range of postgraduate options at Honours, Master's and Doctoral levels.

Looking into the current scenario of job prospects for arts graduates in government sector also, the college proposes to start faculty of arts under the Department of Arts and Humanities from academic session 2022-23. The general humanities education equips them to clear competitive and other exams. They will also be up to date with contemporary developments and develop a sociological sensibility to critically understand the social phenomena that affects their lives. They will also be able to appear for public sector jobs.

ACADEMIC PROGRAMMES & ADMISSION ELIGIBILITY

UNDER GRADUATE PROGRAMME @ NEP 2020

BACHELOR OF ARTS ⇌ B.A.

3 Years (6 Semesters)

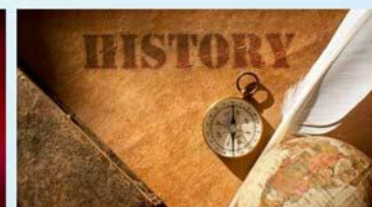

BACHELOR OF ARTS (HONOURS) ⇌ B.A. (Hons.)

4 Years (8 Semesters)

Economics, History, Computer Applications, English Literature, Hindi Literature, Political Science and Sociology subjects are proposed as Major/Minor/Elective subjects. Subjects available in other departments of the college will also be provided as Minor/Elective subjects for the students.

Note: All major, minor, elective and other courses are subject to their availability in the college and/or as per the guidelines of Higher Education Department of M.P. Government. Permission and affiliation to start B.A. and Botany, Zoology subjects in B.Sc. are under process.

In addition to the above, various certificate, add-on and short-term courses will also be provided by the department for the benefit of students and their future career prospects.

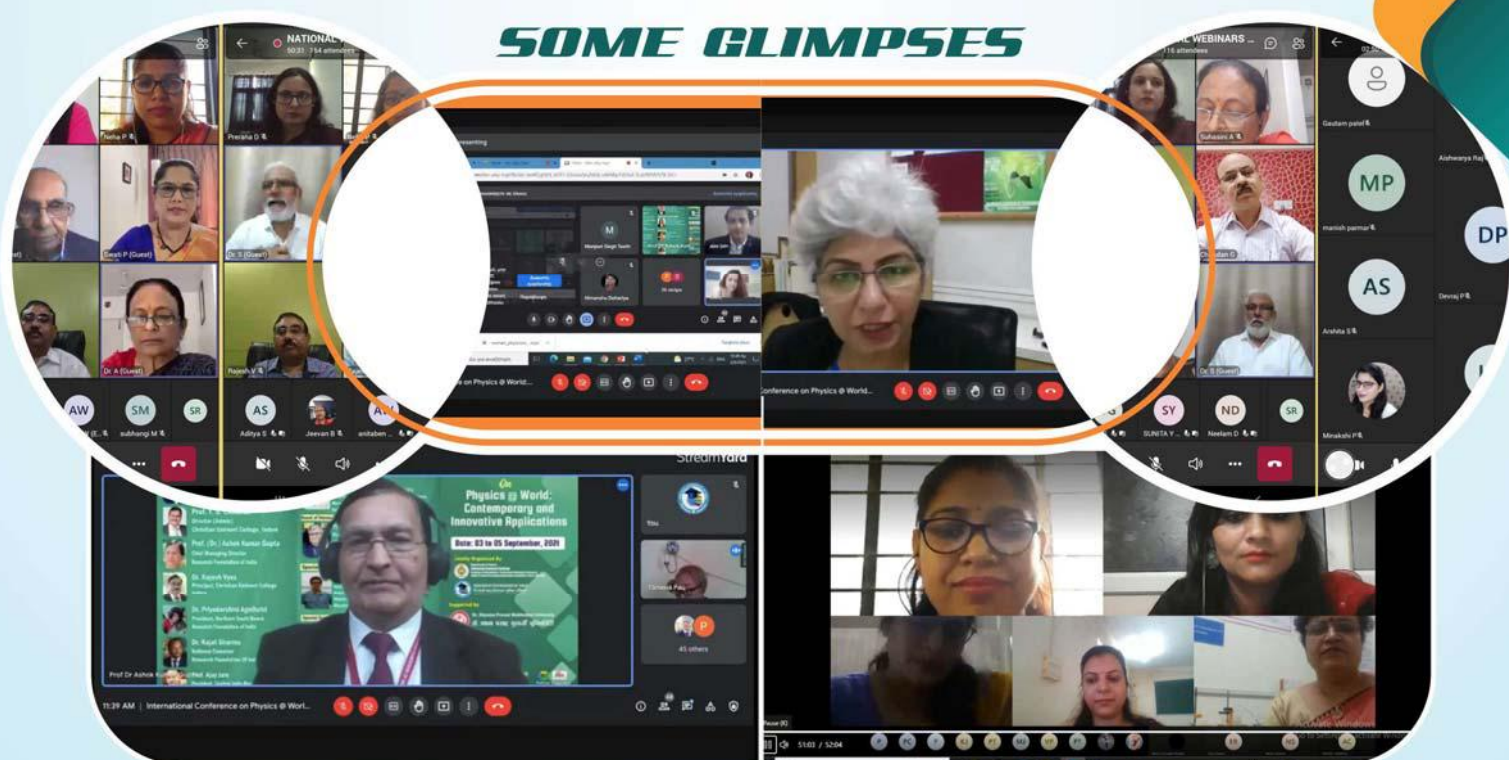

MS-Teams Enabled Online Activities

During the last few years, the online mode has reached new heights. It has risen to become the most popular alternative in the corporate sector as well as in higher education institutions. Christian Eminent is one of the best colleges in the region, and it relies on a licenced subscription of Microsoft Teams to conduct a wide range of activities. A consistent effort is required in the field of education in order to ensure that students and teachers progress in their overall development. Seminars/webinars, conferences, workshops, guest lectures, and Faculty Development Programs (FDPs) are all conducted extremely successfully in our college by M S Teams. Music competitions, essay competitions, debates and poster competitions are all efficiently organised at the intra and intercollegiate levels by MS Teams at the same time.

Christian Eminent College is one of the best colleges in the region conducting all online activities exclusively on licensed subscription of MS-Teams; online communication platform empowers teachers to unlock creativity, promotes teamwork, and provides a simple and safe experience in a single, affordable solution built for education.

SOME GLIMPSES

TEAM WORK

NEVER GIVE UP

Beyond The

SUMMER TRAINING, ON-THE-JOB TRAINING & INDUSTRIAL VISITS :

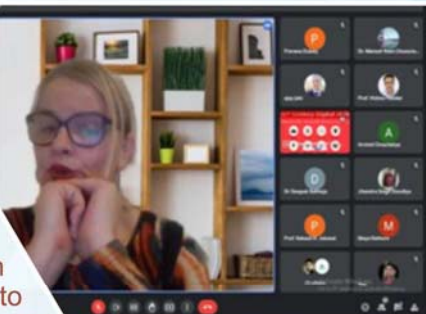

The academic programmes are complemented with arrangements for summer training, on-the-job training with industrial visits of various companies and other business establishments during the academic programmes. The objective of these programmes is to help students gain practical experience of business operations and exposure to the complex and demanding real world of business. It will also help them comprehend the theory and concepts of management and understand their practical applications. It also provides them a competitive edge in the job market.

GUEST LECTURES, SEMINARS & CONFERENCES:

The College organizes knowledge lectures and experience-sharing guest lectures, seminars and conferences by eminent personalities of academics, business, industries and by practicing professionals.

Aregawi H (Guest)

Classroom

EXTRACURRICULAR ACTIVITIES:

The College promotes various extracurricular activities ranging from Debates, Extempore Speech, Quiz, Music and Dance (Classical and Semi classical), Drama etc., for the overall growth and development of personality and talent of the students. The College encourages its students to participate in various competitions organized at different levels. The College students have given impressive performances in the Youth Festivals organized by D.A.V.V. in events like Singing and Dancing (Solo/Group), Debate, Poster Making, Cartooning, Quiz, Mime, and Drama etc.

Games and Sports:

Games and Sports are the ways of enhancing the students' mental and physical growth. These help them in character building and provide energy and strength. A healthy diet and an active lifestyle will bring good results in the students' minds and bodies. As it is well said, "A healthy mind in a healthy body". These activities eliminate the unhealthy habits of the students that may lead to various ailments. When the students are physically fit, they will achieve more academically. Sports develop a sense of friendliness and team spirit among the students. They help the children to develop the mental and physical toughness. Sports shape their body and make it strong and active. Similarly Yoga offers multitude of benefits to the modern day students. Yoga's combination of breath and movement can help the students to alleviate social and academic stress, clear the mind and soothe cramped bodies jammed into desks and bent over computers. Students may be young, but they aren't immune to stress. Regular practicing of Yogasana helps students to concentrate better and train the body to perform instinctively. Children should actively participate in the games and sports to avoid being tired and lethargic so as to improve their blood circulation and their physical well-being.

Admission Procedure

ADMISSION PROCEDURE: Admission to all the courses would be made in order of merit determined on the basis of percentage of marks obtained by the student in the qualifying examination and the component of group discussion and/or personal interview. The candidate is advised to apply for admission only if he/she is sure that he/she fulfils the eligibility requirements for the particular programme for which he/she is seeking admission. It is the responsibility of the student to obtain all the relevant information about his/her eligibility. In case a student who is provisionally admitted on the basis of the information/documents furnished by him is found ineligible, due to 'any reason, the Director/Principal can cancel his/her admission.

Application Form complete in all respects, should be submitted with the following documents attached:

1. School/College Leaving Certificate (T.C./S.L.C./C.L.C.) of the previous school/college attended in original.
2. Two attested photocopies of marksheets of X, XII and/or qualifying examination.
3. In case there is a gap in the education of the candidate, he/she must submit a Gap Certificate indicating that he/she has not taken admission in any College, has not appeared for any Examination and that his/her conduct has been good.
4. Students who have not passed XII from Madhya Pradesh Board or graduated from Devi Ahilya Vishwavidyalaya must submit eligibility certificate from Devi Ahilya Vishwavidyalaya, Indore and a migration certificate from the previous Board/University.

NOTE

1. One who has appeared in the qualifying examination during current year as a regular or private candidate but whose result is yet to be declared can also apply for admission on provisional basis. Such a candidate must produce the certificate of passing the examination before the last date fixed for this purpose, otherwise his admission will be cancelled. The fee and charges paid by him shall not be refunded in any case.
2. Minimum intake of 50% of total seats is essential to start a programme.

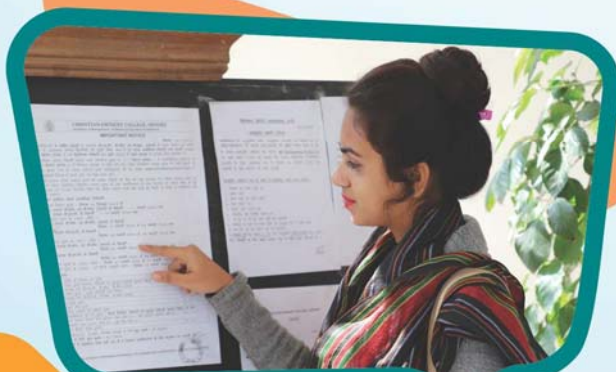

RULES FOR ADMISSION

1. Only students who have passed class XII can seek admission to Graduate programmes. Students, who have to appear in Supplementary Examination to pass class XII or final year of degree course, are not eligible to seek admission unless permitted by the M.P. Govt. and the University.
2. Students who have to appear for A.T.K.T. Examinations in I st or II nd year must take provisional admission to the higher class.
3. Regular and Provisional Admission in Post Graduate programmes will be as per the University/College rules for the particular programme.
4. Those students who are not previously enrolled with the University must submit the enrollment form along with admission form. Those who are already enrolled must mention their enrollment no. on the admission form.
5. Decision of the Director/Principal with respect to admission shall be final.

RESERVATION : In the matter of reservation of seats, the College follows the provisions contained in the constitution of India and the decision of Supreme Court of India as applicable to self-financing educational institutions established and administered by MINORITY COMMUNITY.

FREE SHIP : Admission to candidates belonging to economically weaker section of the society will be in addition to stipulated seats to the maximum extent of 5% provided they have obtained prescribed marks at the qualifying examination. Such candidates may be granted exemption from payment of tuition fee prescribed for the course up to the maximum extent of 100 % depending upon the merits of each case. If more than one child of the same parents is studying in the College the younger of the two may be granted 50% concession in the tuition fee subject to his passing the examination in one attempt and possessing good conduct.

REFUND OF FEE : If a student is granted admission to any of the academic programs conducted by the College and deposits the fee in full or part, but subsequently does not join the course, or leaves the course at any time during the Year / Semester due to

Rules & Regulations

any reason whatsoever, his/her fee will not be refunded.

Similarly, **late fee will be charged**, if the student fails to pay the regular/ normal installments of fee by or on the last date prescribed.

ISSUE OF COLLEGE LEAVING CERTIFICATE : College leaving Certificate (C.L.C.) will be issued to a student only after completion of the concerned course in which he has been granted admission and clearance of all dues towards the College. Any request for issue of C.L.C. in mid session will not be entertained: Nevertheless students making such request will have to show reason to the satisfaction of the College authorities, and is supported by written consent of the parents. In such cases, if issue of C.L.C. is sanctioned, the concerned student will be required to pay the balance fee and dues for the whole session. Also the student should produce original documents and receipts as required by the College.

DISCIPLINE AND CODE OF CONDUCT : We value self-discipline and do not believe in policing. We have a lot of trust and faith in our students. We want students to live up to that trust. Students are required to observe the code of conduct prescribed by Devi Ahilya Vishwavidyalaya, and the College from time to time. Violations of the Instructions/ code of conduct and/or any behavior unbecoming of the College student will invite strict disciplinary action including fines, suspension, debarment from examinations, and expulsion from the College etc.

Students are expected to be courteous and friendly towards their fellow students. They should conduct themselves in a manner, which is conducive to promotion of healthy cooperative life.

- > Possession of objectionable articles such as firearms, sharp or blunt weapons of any kind, obscene literature or paintings etc. in the College campuses are strictly prohibited.
- > Damage to equipments and fixtures, and absenteeism will attract heavy deterrent fines besides disciplinary action.
- > Smoking, use of alcohol, chewing gum or gutka or tobacco, and use of mobile phones and use of polythene is strictly prohibited in the College Campuses
- > Students are not allowed to paste or circulate notices, pamphlets, posters, etc. in the College Campuses without prior

permission from the Principal/Director. Students are also forbidden to invite any outsider to the College directly.

- > **RAGGING** or harassment of newly admitted/junior students is **STRICTLY PROHIBITED**. Any student found indulging in it is liable for expulsion from the College as well as criminal prosecution.

ATTENDANCE : Courses of professional nature requires a high degree of involvement, hard work and punctuality on the part of students. Indolent and indisciplined students have no place in the College. As per M.P. Govt. & University rules 75% attendance is compulsory in class/practical sessions, Students who do not fulfill the requirement of 75% attendance subject to restricted condonation for participation in University level co-curricular activities, may be debarred from appearing in the examinations. Holidays/Vacations will be as per the State Government/ University orders.

EXAMS: B.Sc., B.Com. and B.Com. (Hons.) courses have Annual System and the annual examinations are conducted in the month of March-April. All the other courses have Semester System and the end-semester examinations are conducted in the months of Nov-Dec and April-May of every academic session. To appear in the respective examination, the student must submit the filled examination form along with the requisite examination fee by the prescribed dates.

The students must also deposit all the three installments (at the time of admission, First week of October, and First week of next January) of the college fee. Otherwise, they will not be allowed to appear in the examinations. To pass a semester-end examination, it is compulsory for a student to pass separately and individually also in all the three examinations i.e. internal, practical (if applicable) and theory examinations.

For detailed rules, regulations and information students may contact the Examination Cell.

JURISDICTION: In case of any dispute regarding admission to or conduction of any course or payment or refund of fee or any other matter concerning the activities of the College, the jurisdiction will be that of courts of Indore only.

UGC EXPERT COMMITTEE VISIT 13-14 APRIL 2022

Training &

TRAINING & PLACEMENT CELL: The academic rigor of the future leaders is made complete through the placement activities that introduce them to the corporate world. To fulfill the career needs of students, the College has a **Training & Placement Cell**, which comprises a Training & Placement Officer, Faculty Members and the Students. The functions of placement cell are as under:-

REGULAR INDUSTRY - INSTITUTE INTERACTION: The Training & Placement Cell is mainly responsible for establishing regular contacts with various organizations and industries. The Cell acts as an interface between students, faculty and corporate world to initiate continuous interaction with industry, sharing the industry experiences, understanding the needs of Industry and giving the required support to the corporate world. The Cell remains in constant touch with the corporate job market.

ARRANGEMENTS OF INTERVIEWS: The Placement Cell arranges **ON CAMPUS** and **OFF CAMPUS INTERVIEWS** for the students by the prospective employers. Job Fairs are also conducted. The Recruiting Companies are required to give a **Pre-Placement Talk (PPT)** before starting the selection process in the College Campus. The objective of **PPT** is to provide the students an opportunity to understand the organization, and to the recruiting company to highlight its requirement and careers it is offering to the students. The Institute provides necessary facilities to companies for conducting tests and campus interview for final placement. During the previous sessions a number of well-known companies visited the College for campus recruitments and Off-Campus Interviews were also conducted by them. The College is appreciative of all the corporates for recruiting our students in increasing numbers.

PERSONALITY DEVELOPMENT PROGRAM: A sound personality in all respects brings success to a student's life. Cognizant of this requirement the College offers a unique and invigorating program on **Personality Development** which is being very well received in all the academic and professional areas. It enhances a student's excellence and his/her professional competencies.

This program covers:-

- | | |
|---------------------------|-----------------------|
| 1. Proficiency in English | 2. Public Speaking |
| 3. Group Discussion | 4. Resume Preparation |
| 5. Interview Preparation | 6. Memory Enhancement |
| 7. Extempore Speech | |

In order to cover all the aspects, regular classes are conducted in batches. Eminent speakers are also invited to deliver lectures on above topics. The workshops on personality development are also organised to train and equip the students to meet the real life challenges.

Placement Cell

Our Recruiters

Reflections From Last Year Students

Studied BEd and PGDCA from Christian eminent college from 2018 to 2020 (B.Ed.) and from 2020 to 2021 (PGDCA) I got placed as TGT Science Teacher in APS Mhow after B.Ed. and also cleared CTET exam twice during B. Ed. Teachers are really very supportive. Academics is too good, timely completion of syllabus with good facilities. Thanks a lot Christian Eminent College and team.

Nisha Kanwar (B.Ed., PGDCA)

My name is ASHWIN PARIHAR and I was a student of BCA of Christian Eminent College.

I am glad to provide you with my feedback about the college. My overall experience has been amazing, and the college is having an amazing infrastructure. This College has provided me with a number of opportunities to grow and explore my skills. The emphasis on sports along with education always helped me a lot. I have always found a positive and healthy environment and the teachers are highly supportive. Most of my doubts were cleared after the classes get over. I am highly thankful to you for providing me with an opportunity to be a part of your college. It has added a number of values to my life.

Ashwin Parihar (BCA)

I have completed my Bsc IT from Christian Eminent College. I have a very good experience with college and its faculty. My teachers have explained the syllabus efficiently and course has been completed on time. I enjoyed doing practicals and learned so much from it. Library is also very good and spacious. My best wishes to all my teachers.

Sanjeev Baghel (B.Sc. IT)

My time at Christian Eminent College was the most memorable of my life, and I look back on it fondly. I've learned a lot from what my instructors have taught me in the classroom. With the placement activities and training programmes, I have gained a greater sense of self-confidence. During this time, I gained a great deal of knowledge and progressed considerably. In addition, I'd want to express my gratitude to the college's faculty and personnel. **Anshu Dixit (M.Sc. CS)**

I am Palak Patel, I have completed my PGDCA from Christian Eminent College, Indore. At present I am pursuing my masters in Business Analytics from California state University, East Bay.

My experience in Christian Eminent was really good. Faculty were always ready to guide or teach us. Assignments and quizzes helped us to learn in depth and in more practical ways. Whether about the subject or other topics professors always guided us. These subjects of PGDCA gave me strong fundamentals for my present master's in Business Analytics. **Palak Patel (PGDCA)**

With Christian Eminent College Indore, I had a wonderful experience. For me, getting good grades in M. Sc. Mathematics was only possible because of the assistance, encouragement, and support I received from my professors. As for the online classes, I found them enjoyable as well. It seems nicely thought out and laid out to me. In general, I enjoy this college because of the simplicity of its classes, assignments, and assessments. I'm grateful to this college and the professors who have helped me along the way.

Izhar Sheikh (M. Sc. Mathematics)

I have a very sweet and interesting memory with Christian Eminent College, Indore. The time I spent here will remain as inspiration for my entire life. The environment of the college was very good. The infrastructure and facilities available in the college is very good. My department's (Mathematics) professors are very helpful for solving any kind of doubts. They reminded me to work with dedication over and over. They are always Glad to help, I found them very motivating. Thanks again for being good mentors. **Bhupesh Damre (M. Sc. Mathematics)**

Christian Eminent College awarded me a Bachelor of Science degree. My teachers assist me in coming out of my shell and developing my hidden abilities. The information, skills, and aptitude are obtained through hands-on experience, which has resulted in exceptional performance at my place of employment.

Kalyani Rathore (B. Sc. CS)

I am glad to mention that I attended a Christian eminent college that has been accredited by NAAC for two years in a row. Cooperative faculty members are the norm at this school. They help me out when I need it. Academics and extracurricular activities at this school have helped me grow as a person. Christian Eminent College has been a pleasant experience for me. Such an esteemed institution provided me with a wealth of knowledge and expertise.

Ayush Chawda (B. Sc. CS)

Knowledge, patience, and practical abilities were acquired during my years at Christian Eminent College, allowing me to compete in the real world. I had obtained a platform on which to analyse myself and to comprehend the possibilities. In the college, well-equipped labs and a strong support system are the norm. I owe a debt of gratitude to all of my teachers. These past five years have not only assisted me in broadening my knowledge base, but they have also assisted me in discovering more about myself.

Monika Mishra (M.Sc. CS II Sem)

At Christian Eminent college, I gained a great deal of knowledge. There was a lot of room for personal and professional growth for the pupils. Faculty members are the most valuable resource at this school. They have always been accessible and encouraging to me. It provides the greatest facilities for its students and encourages students to give constructive comments to the institution. Students' development is aided through a combination of official and informal feedback and consultations. At Christian Eminent College, I learned so much that I will never forget.

Payas Mandavi M.COM

Please accept my feedback about the college, which I am happy to share. My whole educational experience has been fantastic thus far, and the college has a fantastic infrastructure to support it. The college has presented me with a variety of possibilities to develop and expand my knowledge and abilities. The combination of sports and studies has always been beneficial to me.

Prathana Wadenere M.com IV

You have done a fantastic job of making a large class feel tiny and quite enjoyable! Thank you for a wonderful college experience! May the wisdom and good health last for a long time. Thank you for your wonderful lectures and feedback, as well as for your unwavering support! I greatly appreciate it!

Anjali Lowanshi Bcom Plain

Indeed, it is a place where students may learn in a good and supportive environment. The institute places a strong emphasis on academics as well as personal development, and students receive active help in developing into responsible professionals. Personality development programmes and workshops are available to students to help them strengthen their skills. Placement activities are really very beneficial. I am truly blessed to have a college like this. This is only because of your blessings that I have got a job as a Head Assistant Quality Control, Aditya Birla Cement, Manawar.

ANIKET KASLIWAL

The college is well-known as a place where students may learn to be responsible and dedicated members of society through coursework, research, creative and extracurricular activities. The labs are excellent, and our teachers are always there to assist us succeed in every subject. I am very happy with my decision to attend this college. Sincere thanks to the departments head and teachers.

ARSHITA SOLANKI: Chemistry M.sc.

I consider myself really fortunate to be studying in such a stimulating environment as this one here at the University. All of the faculty members are extremely helpful to all of the students, regardless of where they came from or where they are now. All the chemistry professors who helped me get my master's degree are to be commended for their professionalism and dedication. I've honed my skills and participated in the college's cultural events. In the midst of the epidemic, the institution had put together online activities that were quite helpful to us. A big thank you to the Christian Eminent College!

Priya Tomar M.Sc. Chemistry Second Position

It is because of the college's emphasis on both academics and practical experience that I have been able to achieve academic success and broaden my horizons. I'll never forget the teachers' kindness and support during my time in college. I owe a great deal of gratitude to the college.

Mitali Singh B Com Plain

During my time at CEC, I had a completely new and unique experience, one I will never forget. Positive and healthy environments have always been there throughout my life. The academic community was quite helpful. Most of my lingering questions were answered once class ended. I'll never forget the five years I spent here, and I'll never forget the people I met.

Aishwarya Raj M.sc. Biotechnology

At the outset of fifth decade, a legacy of more than 3,00,000 students at school and college levels, speak amply about the dedication of Christian Eminent Group of Institutions towards Educational and Social Good. Founded by the Late Prof. Muzaffar Hussain Meer in 1977, the group has been guided to its present form by the eminent educationist Mr. Sameer Meer, mentor who is love and care personified. Today, alumni of Christian Eminent are shining across the world and are playing a meaningful role in the global society.
