CHRISTIAN EMINENT COLLEGE

(Academy of Management, Professional Education & Research)

- NAAC (UGC) Accredited with 'A' Grade
- An Autonomous Institute, Established in 1996

- Recognized by Govt. of M.P.
- Approved by NCTE

- Affiliated to Devi Ahilya Vishwavidyalaya, Indore
- Approved Programmes Study Centre of IGNOU

website : www.christianeminent.com

The Journey of Excellence Continues....

WHY CHRISTIAN EMINENT ?

Imagination Unbound,
Potential Unleashed

- Recognised by Deptt. of Higher Education, Govt. of M.P. and affiliated to D.A.V.V., Indore
- An Autonomous Institution
- Accredited with Grade "A" by NAAC - UGC in two consecutive cycles.
- Centrally located campuses in the city
- Systematic and well planned academic calendar
- Timely conduction of examinations and declaration of results
- Multidisciplinary curriculum with a wide variety of subjects
- Updated courses and syllabi as per the requirement of present scenario
- Excellent and regular teaching by committed and experienced teachers
- Personalised mentoring, inspiring guest sessions
- Well organised co-curricular activities
- Village exposure programmes for social sensitization through NSS
- Personality development, career making activities and better placements
- State-of-the-art infrastructure with well equipped laboratories, well stacked library and smart classroom facilities

VISION

To emerge as a prominent educational institute of newer horizon to address global challenges of 21st century through assured quality and job oriented educational programmes.

MISSION

To produce global citizens with broad based knowledge, creativity, effective communication ability and critical interpersonal skills necessary to meet today's & tomorrow's challenges successfully.

Down the Memory Lane

The Late Prof. M. H. Meer, founder of Christian Eminent, was a dedicated soul, an undying spirit who worked from dawn till dusk for the well-being of this institution. Forty two years ago, it was in the year 1977, that he laid its pious foundation. His memory lingers about in whatever the members of Christian Educational and Cultural Society do, for the betterment of this institution, with a solemn desire to lift it to the status of a professionally managed modern College, with maximum number of Management, Information Technology, Biotechnology and other newly emerging professional and job-oriented courses, and thus create high quality manpower for the country.

What we profess, we perform and accomplish invariably.

A small sapling at the inception in 1996, the Christian Eminent College has grown exponentially into a large multi-branch tree within a few years, achieving several milestones.

First, it was granted permanent affiliation by **DAVV**; then, recognition under sections 2(f) and 12(B) by the **UGC** which also conferred upon it the elevated status of an Autonomous Institution. Now the College frames its own upgraded courses of studies, conducts all its tests and examinations, and ensures timely declaration of the results – all as per the academic calendar declared well in advance.

Subsequently, the **National Assessment and Accreditation Council (NAAC)**, a body of UGC, accredited Christian Eminent College with "**A**" **Grade** - a rare achievement - in appreciation of the quality and excellence of its education and environment. It is a matter of pride that the UGC later awarded an extension of the autonomous status to this college and the NAAC accredited it with "A" grade again for the second cycle.

Similarly, recognizing the merit and prestige of this College, the renowned IGNOU (Indira Gandhi National Open University) had already established here two of its Programme Study Centres for Computer Science as well as for B.Ed. (Bachelor of Education).

Christian Eminent lays special emphasis on classroom teaching by learned and experienced faculty members. Besides, other activities e.g., academic, cultural & sports etc. are duly held throughout the year for all-round development of students' personality. The College has also been organizing a number of national-level conferences, workshops and seminars to promote academic research and investigation.

The institution has an excellent track record of campus placements and industrial linkages. Our alumni are shining today in the corporate and other fields across the world.

Sure, the re-accreditation again with "**A**" **Grade** has done us proud, the college as well as the entire Christian Eminent Group of Institutions with four decades of splendid growth behind them. At this moment we humbly reaffirm our commitment to serve the students community, and thus society at large, with renewed resolve.

So, if you are confident that you are among the best, Christian Eminent College is the place just for you.

For, our belief is : **excellence is a journey, not a destination.**

Prof. M.H. Meer
Chairman

From The Desk
of Management

Prof. H.N. Gupta
Director

"The important thing is not where you were or where you are but where you want to get". In this era of globalization the ultimate aim of the students is to obtain good result and to be placed in the multinational companies.

Keeping in mind the needs of students and their parents, we have here tried to keep the teaching based upon students' needs, nature and environment. The management and the faculty members strive hard to make the learners build in them a repertoire of experiences and make them fit to keep pace dexterously with the changing nature of the society to which they belong. We believe in openness of mind, dignity of conduct and mutual respect in the background of social, economic, cultural religious and linguistic diversity and develop a confident understanding of the role of a student in the society.

We are determined to develop their creativity and ability of identifying and solving problem to the highest level.

Dr. Rajesh Vyas Principal

Former Member, Executive Council,
Devi Ahilya Vishwavidyalaya, Indore

The purpose of Education is to replace an empty mind with an open one. Sound education in any stream goes a long way in inculcating confidence and values in an individual. Therefore our endeavour is to impart excellent education in all streams. Our emphasis is on practical aspects of education so that our students may boldly face the competition prevailing in different walks of life. We believe in turning out fully equipped individuals who rise to any occasion.

We at Christian Eminent encourage creativity; enhance core capability; impart specific skill. We not only train our students to be successful persons but also to be responsible citizens and honest human beings. We train our students to excel both in good as well as bad times, booms and depressions; highs and lows!

Since our inception we have been attaining academic excellence day by day, and in the year 2017-18 we have successfully achieved NAAC accreditation with "A" Grade for the second cycle also. With the extension of the autonomous status, our efforts will be to enhance our students' potential to meet the challenges of the world.

We are committed that the students of the College will turn out to be excellent and responsible citizen of our great nation "INDIA".

Prof. Y. S. Chouhan
Director (Admin.)

Education is the most powerful instrument of change. It has to be meaningful for meeting the challenges of the present and the future. In a globalised world, in addition to knowledge, attitude and skills play an equally important role to determine success.

Christian Eminent is the leading institute of central India. We provide best education in the major areas of the management, technology and science. What distinctly and proudly leads us to the top of the league is that the institute is truly global in outlook, cosmopolitan in character and deeply rooted into the traditional values of Indian culture and heritage.

Good administration is the supreme driving force behind any successful organization and Christian Eminent College is prominently one of this kinds. Here competent and effectual administration of all academic and managerial activities provide better platform to groom skills of students.

Student will surely enjoy the challenges and opportunity in the institution. We are looking forward to welcoming you to Christian Eminent College, an "A" Grade Autonomous Institution and a place of genuine intellectual excitement with an unforgettable simulating experience in the world of existing and emerging technology.

The Institute

Christian Educational and Cultural Society a voluntary non-profit organization, registered under M.P. Society Registration Act. 1973, established Christian Eminent College in 1996, in fulfillment of the solemn desire of the founders to provide quality, value based and professional education in the area of Management, Computer Science, Information Technology, Biotechnology, Commerce, Education and other emerging disciplines. The College has the approval of Govt. of M.P., NCTE and is permanently affiliated to Devi Ahilya Vishwavidyalaya, Indore and also recognized under section 2(f) & 12(B) of UGC and reaccredited with "A" Grade of NAAC, UGC. The college was conferred AUTONOMOUS STATUS and later EXTENSION of it for a period of next six years by the University Grant Commission. Catering to the growing need for tech savvy managers in the liberalized Indian industrial environment, the college has blossomed into a premier institution in the field of professional education. It has charted phenomenal growth since its inception by launching novel professional courses in emerging disciplines having good job potential. As per the UGC guidelines the college has implemented CBCS System and looking to the current needs, various Skill Enhancement Courses have been introduced as a part of course curriculum.

Christian Eminent College has excellent infrastructural facilities in terms of spacious classrooms, laboratories, library, a spacious hall for indoor games as well as for conduction of various activities, a large play ground for various outdoor games and sports. The College takes pride in having a team of highly qualified, experienced and dedicated faculty and friendly administrative staff.

The College is located in the heart of the city of Indore. It has two spacious campuses in close proximity of each other with beautiful surroundings. Campus No. 1 is located at Ravi Shankar Shukla Nagar, Main Road; Campus No. 2 is located nearby in the Press Complex, Indore, both having close proximity with busy A.B. Road, the National Highway. The L.I.G. crossing is the nearest point to arrive for the newcomers. Distance between the College and Railway/ Bus station is 5 kms and Airport is about 10 kms. In addition to the above two academic campuses, the college also has its own playground for games and sports facilities developed in three acres at Tulsi Nagar.

An Autonomous Institute

A Special Status

The UGC Document on the 12th plan profile on higher education in India highlighted the importance of autonomous colleges, clearly stating that, "The only safe and better way to improve the quality of education is to promote the autonomous colleges. Colleges with academic and operative freedom are doing better and have more credibility." The Education Commission (1964-66) had recommended college autonomy, which, in essence, is the instrument for promoting Academic Excellence. The National Policy on Education (1986-92) formulated the objectives for Autonomous Colleges, such as, freedom in curriculum and other academic activities, examination and evaluation process etc. The autonomy is given to only those colleges that have excellent academic, cultural, sports, other co-curricular and administrative record, state-of-the-art infrastructure, research activities and, above all, minimum ten years of its existence, and after the verification of the mentioned facts by UGC's high-power Committee. The UGC and DAVV, with all their necessary conditions, were in agreement for autonomy to be conferred on Christian Eminent College and then awarded Autonomous Status in the year 2010 for a period of six years. Later, after the close observation of academic and other attainments UGC awarded Extension of Autonomous Status for a period of next six years from session 2016-17 to 2022-23. With the privilege of autonomous status the college accelerates excellence in all its academic programmes, examination system and other activities. Results are declared on time and everything takes place as per the college calendar.

BOARD OF STUDIES

Composition as per U.G.C. guidelines for Autonomous Colleges

- Computer Science & Electronics
- Biosciences
- Chemical Sciences
- Management
- Commerce
- Mathematics & Statistics
- Physics
- Education
- Foundation Courses

All Heads of the Departments act as Chairpersons of the Boards of Studies of their respective disciplines, Entire Faculty of each specialization as Members, Two Senior Academicians as Academic Council Nominees, One subject expert as University Nominee, One Industry/ Corporate Sector Person as Governing Body Nominee and One Post Graduate Meritorious Alumnus nominated by the Principal. The leadership and governance of the college is based on the principle of participatory, democratic and transparent approach. All the members of College Governing Body are from academic sphere. The President of Foundation Society Prof. M. H. Meer himself is from academic world and was a former Professor and Head, Department of English at Government Autonomous Holkar Science College, Indore which has a glorious history of more than 125 years of its establishment. The College Director retired from the same Government Autonomous Holkar Science College, Indore as Professor and Head. After his retirement, he was nominated by the State Government in the Governing Body of the same college as Chairman. It's a matter of pride that Vice Chancellors of two state Universities have also been associated with the College Governing Body. Some other members are senior educationists of reputed institutions of the city and are also associated with NAAC as members of NAAC Peer Teams for accreditation process of various institutions of the country.

An Autonomous Institute

A Special Status

THE EXAMINATION CELL

With the award of AUTONOMOUS STATUS as per UGC norms, its own Examination Cell was established in the College. It is a matter of pride that due to the efficient and transparent functioning of this cell, all the examinations are conducted smoothly and timely with the student, feeling fully satisfied and exultant. Also, the examination results are declared as per schedule and in time, so that the students are able to understand their positions well before the commencement of the next session. The academic calendar, too, is made known at the beginning of the semester/year enabling the students to know the date wise activities for the entire semester/year. The students' performance is evaluated on the basis of Internal and External Examinations. The Internal Academic Performance of the student is continuously evaluated through internals: CCE, assignments, practicals, project work, seminars, etc., and the students are required to submit all the assigned work in due time period to the respective faculty of the Department. The External Evaluation is carried out in the form of Semester/Annual Examinations that are conducted at the end of every semester/year.

After the completion of Internal/External evaluation, the Examination Cell prepares the Final Results, and after countersigned by the Devi Ahilya University, Indore, the results are declared and at once displayed ONLINE on the college Website so that the students can know their results immediately. All the examination related activities, from the submission of examination forms till declaration of results, are completely online. All these activities related to examinations are conducted successfully by the Examination Cell comprising Controller, Deputy Controllers and other associate staff. The entire process is carried out in a separate building/rooms having accommodation for Controller, Deputy Controllers, Valuation In-charge, Valuation work, Storage of examination materials and all other related work.

INTERNAL QUALITY ASSURANCE CELL (IQAC)

The Internal Quality Assurance Cell (IQAC) has been established in the College at the instance of the National Assessment and Accreditation Council (NAAC) for quality sustenance measures. The Cell ensures continuous improvement in all the operations of the College and it also assures stakeholders connected with higher Education, namely parents, teachers, staff, would be employers, agencies and society in general, of its own quality and probity. The formation of the IQAC is as per the UGC and NAAC norms. There are external members in it as prescribed in the guidelines of NAAC, and they are eminent persons in their respective fields. At present, in IQAC, two senior and reputed persons of the affiliating university are members, one, Dr. Ashutosh Mishra, is a former Vice Chancellor of the university. The other member, Dr. Ashok Sharma is a renowned professor of chemical science in the university and is also involved in NAAC Accreditation Process of various institutions. Dr. Sunanda Jain is a leading and senior gynaecologist in the city and was associated with the affiliating university as a member of its Executive Council. Industry persons, former and present students and persons from local community are also part of IQAC. They all have significantly contributed towards the growth of the college by giving their valuable suggestions and guidance.

Infrastructure

The Learning Resources

Classrooms

The College has fully equipped **Class Rooms & Seminars halls** with modern furniture, glass/ceramic-writing boards and facilities for audio visual projections.

Smart Classrooms are also available for interactive learning, designed for teachers with the essential tools to manage classrooms, assess students and encourage collaboration.

IT Arena

The College has always emphasized on imparting quality training of higher-end technologies to students of advanced computing bearing in mind that 21st century is the age of information technology. The College has spacious and state-of-the-art Computer Laboratories with a large number of computers having latest facilities, hardware, and a wide range of software & internet facilities on every node.

The hi-tech **Computer Centre** comprises networking facilities, such as, a separate WINDOW NT Server, LINUX Server, NOVEL Netware Server.

The college has cloud campus agreement with Microsoft for licensed software.

**SUPERVISED HOSTEL
ACCOMMODATION :**

is provided for girls within walking distance from the college campuses. It is equipped with modern facilities and decently furnished.

Infrastructure

The Learning Resources

Bioscience Laboratory

The Bioscience Laboratory is in a well-endowed setting. The laboratory is equipped with the latest and cutting-edge technology for the purpose of enhancing research and providing current information and practical exposure of Biotechnology, Microbiology and related areas to the students.

Chemistry Science Laboratory

This Laboratory is designed for the students of chemistry and pharmaceutical chemistry both to get hands-on experience necessary to perform the practicals with the required speed, precision and accuracy expected in the disciplines.

Infrastructure

The Learning Resources

Physics & Electronics Laboratory

The students are encouraged to engage in R & D, and necessary guidance is provided in this direction. The facilities are further in constant process of upgradation and augmentation & are geared up to meet the ever increasing demands for the field exposure among the students.

Laboratories in the Education Department

This department comprises Psychology, ICT, Educational Technology & Media, Work Experience and Science laboratories with the facilities to meet the practical requirements of the course. For the purpose of practice teaching sufficient number of schools are associated with the college.

Library

Library is the life and soul of any educational institution. The College Libraries have spacious halls with adequate facilities for stacking of books, reading desks and space for providing reprographics facilities and documentation center. The Libraries have a growing collection of the latest literature in all emerging disciplines. It is the nerve center of all intellectual and academic activities of the College. E-Journals and DELNET, INFLIBNET facilities are also available in the libraries.

Departments & Academic Programmes

Computer Science

DEPARTMENT OF COMPUTER SCIENCE & ELECTRONICS

The front line Department of COMPUTER SCIENCE & ELECTRONICS was established in 1996 with the goal to produce hardcore professionals to meet global challenges. The department is a large one and thriving with a reputation for work in many branches of the discipline. It has dedicated, experienced and well qualified regular and senior faculty, excellent Computer and Electronics laboratories with state-of-art-facilities.

ACADEMIC PROGRAMMES & ADMISSION ELIGIBILITY

➤ MASTER OF SCIENCE (COMPUTER SCIENCE)

M. Sc. (C.S.) : 2 Years (4 Semesters)

A Bachelor's Degree of science discipline with two subjects being among Mathematics, Physics and Computer Science from a recognized University with at least 55% marks in aggregate.

➤ POSTGRADUATE DIPLOMA IN COMPUTER APPLICATIONS

P.G.D.C.A. : 1 Year (2 Semesters)

A Bachelor's Degree of any discipline from a recognized University with at least 50% marks in aggregate. (SC/ST/OBC 45% marks in aggregate)

➤ BACHELOR OF COMPUTER APPLICATIONS

B.C.A. : 3 Years (6 Semesters)

Higher Secondary (10+2) Certificate examination of M.P. Board or its equivalent examination with Mathematics.

➤ BACHELOR OF SCIENCE

B. Sc. : 3 Years

- **Computer Science**, Physics, Mathematics, F.C.
- **Information Technology**, Electronics, Mathematics, F.C.

Higher Secondary (10+2) Certificate examination of M.P Board or its equivalent examination with Science subjects.

In addition, various certificate & add-on courses are also available in the department for the benefit of students and their future career prospects.

A Rare Privilege **IGNOU**

Indira Gandhi National Open University, New Delhi, has selected Christian Eminent College as the programme study centre for conducting the computer related academic programmes, namely:

1. **M.C.A. (Master of Computer Application)**
2. **B.C.A. (Bachelor of Computer Application)**
3. **C.I.T. (Certificate in Information Technology)**

For more information contact : 0731-2558065

Departments & Academic Programmes

BIOSCIENCES

DEPARTMENT OF BIOSCIENCES

The forefront Department of BIOSCIENCES was established in 2002 to produce hardcore professionals to meet global challenges. It provides an exciting and supportive environment for graduate and post-graduate students. In addition, the department has close links with the department of Chemical Science and Computer Science. There is an enriching schedule of external seminars by renowned speakers. The department has dedicated, experienced and well qualified regular faculty, excellent Biotechnology and Microbiology laboratories with the state-of-art-facilities.

ACADEMIC PROGRAMMES & ADMISSION ELIGIBILITY

MASTER OF SCIENCE (BIOTECHNOLOGY)

M. Sc. (B.T.) : 2 Years (4 Semesters)

A Bachelor's Degree of science discipline with Physical Sciences & Biological Sciences, Pharmacy, Agriculture, Veterinary Science, Fisheries or Bachelor's Degree in Engineering/Technology or Medicine (M.B.B.S.) from a recognized University with at least 55% marks in aggregate.

BACHELOR OF SCIENCE

B. Sc. : 3 Years

- **Biotechnology**, Chemistry, Computer Science, F.C.
- **Biotechnology**, Pharma Chemistry, Chemistry, F.C.

Higher Secondary (10+2) Certificate examination of M.P. Board or its equivalent examination with Science subjects.

In addition, various certificate & add-on courses are also available in the department for the benefit of students and their future career prospects.

Departments & Academic Programmes

CHEMICAL SCIENCES

DEPARTMENT OF CHEMICAL SCIENCES

The Department of Chemical Sciences was established in 2002. It provides an exciting and supportive environment for graduate and post-graduate students. The department has dedicated, experienced and well qualified regular faculty for Chemistry and Pharmaceutical Chemistry.

ACADEMIC PROGRAMMES & ADMISSION ELIGIBILITY

MASTER OF SCIENCE (CHEMISTRY)

M. Sc. (CHEM.): 2 Years (4 Semesters)

A Bachelor's Degree of science discipline with chemistry from a recognized University with at least 55% marks in aggregate.

BACHELOR OF SCIENCE

B. Sc. : 3 Years

- **Chemistry**, Biotechnology, Computer Science, F.C.
- **Pharma Chemistry**, Biotechnology, Chemistry, F.C.

Higher Secondary (10+2) Certificate examination of M.P. Board or its equivalent examination with Science subjects.

In addition, various certificate & add-on courses are also available in the department for the benefit of students and their future career prospects.

Mathematics & Statistics

DEPARTMENT OF MATHEMATICS AND STATISTICS

The Department of MATHEMATICS AND STATISTICS was established in 1997. Mathematics being a fundamental subject is essential for all fields of life and knowledge and therefore the college started M.Sc. in Mathematics from the session 2011-12.

ACADEMIC PROGRAMMES & ADMISSION ELIGIBILITY

**MASTER OF
SCIENCE (MATHEMATICS)**

M. Sc. (MATHS):

2 Years (4 Semesters)

A Bachelor's Degree of science discipline with Mathematics from a recognized University with at least 55% marks in aggregate.

In addition, various certificate & add-on courses are also available in the department for the benefit of students and their future career prospects.

Departments & Academic Programmes

Commerce

DEPARTMENT OF COMMERCE

The Department of COMMERCE was established in 1996 to provide job/industry oriented professional education through commerce education at undergraduate and post graduate levels. In today's high-tech society, for a successful career in business, commerce or related professional arena, it is essential to pursue commerce education to gain proficiency in the tools of business organizations, accounting, export/import technicalities, tax law and procedure and information technology.

ACADEMIC PROGRAMMES & ADMISSION ELIGIBILITY

MASTER OF COMMERCE

M. Com. : 2 Years (4 Semesters)

A Bachelor's Degree in Commerce from a recognized University.

BACHELOR OF COMMERCE

B.Com. : 3 Years

- **Computer Application**, Accounts, Management, F.C.
- **Tax Procedure**, Accounts, Management, F.C.
- **Economics**, Accounts, Management, F.C.

Higher Secondary (10+2) Certificate examination of any discipline of M.P. Board or its equivalent examination.

BACHELOR OF COMMERCE (HONOURS)

B.Com. (Hons.): 3 Years

Higher Secondary (10+2) Certificate examination of any discipline of M.P. Board or its equivalent examination with at least 60% marks. In addition, various certificate & add-on courses are also available in the department for the benefit of students and their future career prospects.

Departments & Academic Programmes

Management

DEPARTMENT OF MANAGEMENT

The Department of MANAGEMENT was established in 1996 to provide job/ industry oriented professional education. The department is supported by distinguished visiting experts from industry and professionals of consulting and chartered accountancy, etc. It has developed strong linkage with industry which has continuously provided it unstinted support and co-operation.

ACADEMIC PROGRAMMES & ADMISSION ELIGIBILITY

BACHELOR OF BUSINESS ADMINISTRATION

B.B.A. : 3 Years (6 Semesters)

Higher Secondary (10+2)
Certificate examination of any discipline of M.P. Board or its equivalent examination.

In addition, various certificate & add-on courses are also available in the department for the benefit of students and their future career prospects.

Departments & Academic Programmes

DEPARTMENT OF EDUCATION

The Department of EDUCATION was established to produce competent teachers to meet global challenges. There is an enriching programme of external seminars by renowned speakers.

ACADEMIC PROGRAMMES & ADMISSION ELIGIBILITY

BACHELOR OF EDUCATION

B.Ed. : 2 Years (4 Semesters)

A Bachelor's Degree of any discipline from a recognized University with at least 50% marks in aggregate. (SC/ST 45% marks in aggregate). Selection will be made as per the instructions received from Govt./University.

In addition, various certificate & add-on courses are also available in the department for the benefit of students and their future career prospects.

An additional privilege : IGNOU

Indira Gandhi National Open University, New Delhi has also selected Christian Eminent College as its program study centre for conduction B.Ed. (Bachelor of Education) program.

Beyond The Classroom

SUMMER TRAINING, ON-THE-JOB TRAINING & INDUSTRIAL VISITS :

The academic programmes are complemented with arrangements for summer training, on-the-job training and industrial visits with various companies and other business establishments during the academic programmes. The objective of these arrangements is to help students gain practical experience of business operations and exposure to the complex and demanding real world of business. It will also help them comprehend the theory and concepts of management and understand their practical applications. It also provides them a competitive edge in the job market.

GUEST LECTURES, SEMINARS & CONFERENCES:

The College organizes knowledge lectures and experience-sharing guest lectures, seminars and conferences by eminent personalities of academics, business, industries and by practicing professionals.

Beyond The Classroom

EXTRACURRICULAR ACTIVITIES:

The College promotes various extracurricular activities ranging from Debates, Extempore Speech, Quiz, Music and Dance (Classical and Semi classical), Drama etc., for the overall growth and development of personality and talent of the students. The College encourages its students to participate in various competitions organized at different levels. The College students have given impressive performances in the Youth Festivals organized by D.A.V.V. in events like Singing and Dancing (Solo/Group), Debate, Poster Making, Cartooning, Quiz, Mime, and Drama etc.

Beyond The Classroom

Competition 2018-19

Games and Sports:

Games and Sports are the ways of enhancing the students' mental and physical growth. These help them in character building and provide energy and strength. A healthy diet and an active lifestyle will bring good results for the students' minds and bodies. As it is well said, "A healthy mind in a healthy body". These activities eliminate the unhealthy habits of the students that may lead to various ailments. When the students are physically fit, they will achieve more academically. Sports develop a sense of friendliness and team spirit among the students. They help the children to develop the mental and physical toughness. Sports shape their body and make it strong and active. Similarly Yoga offers multitude of benefits to the modern day students. Yoga's combination of breath and movement can help the students to alleviate social and academic stress, clear the mind and soothe cramped bodies jammed into desks and bent over computers. Students may be young, but they aren't immune to stress. Regular practicing of Yogasana helps students to concentrate better and train the body to perform instinctively. Children should actively participate in the games and sports to avoid being tired and lethargic so as to improve their blood circulation and their physical well-being.

Beyond The Classroom

Games and Sports:

The College has Three acres of land at Tulsi Nagar, Indore where a beautiful nursery with sports ground for Cricket and Football has been developed. The College also offers facilities for outdoor and indoor games such as Badminton, Basketball, Volleyball, Table Tennis, Chess, and Carom etc. There are plans to develop modern Gymnasium and Health Centre. In addition, the College has made arrangements with renowned Abhay Prashal Sports Complex, Basketball Association, M.P. Tennis Association, Bhavan's Prominent and other Sports Organizations for providing expert coaching and playing facilities in various games to the students of the College.

National Service Scheme (N.S.S.):

The College has an NSS unit allotted by the affiliating university and under its banner various extension activities are conducted regularly for the benefit of students as well as community.

Admission Procedure

ADMISSION PROCEDURE:

Admission to all the courses would be made in order of merit determined on the basis of percentage of marks obtained by the student in the qualifying examination and the component of group discussion and/or personal interview. The candidate is advised to apply for admission only if he/she is sure that he/she fulfils the eligibility requirements for the particular programme for which he/she is seeking admission. It is the responsibility of the student to obtain all the relevant information about his/her eligibility. In case a student who is provisionally admitted on the basis of the information/documents furnished by him is found ineligible, due to 'any reason, the Director/Principal can cancel his/her admission.

Application Form complete in all respects, should be submitted with the following documents attached:

1. School/College Leaving Certificate (T.C./S.L.C./C.L.C.) of the previous school/college attended in original.
2. Two attested photocopies of marksheets of X, XII and/or qualifying examination.
3. In case there is a gap in the education of the candidate, he/she must submit a Gap Certificate indicating that he/she has not taken admission in any College, has not appeared for any Examination and that his/her conduct has been good.
4. Students who have not passed XII from Madhya Pradesh Board or graduated from Devi Ahilya Vishwavidyalaya must submit eligibility certificate from Devi Ahilya Vishwavidyalaya, Indore and a migration certificate from the previous Board/University.

NOTE

1. One who has appeared in the qualifying examination during current year as a regular or private candidate but whose result is yet to be declared can also apply for admission on provisional basis. Such a candidate must produce the certificate of passing the examination before the last date fixed for this purpose, otherwise his admission will be cancelled. The fee and charges paid by him shall not be refunded in any case.
2. Minimum intake of 50% of total seats is essential to start a programme.

RULES FOR ADMISSION

1. Only students who have passed class XII can seek admission to Graduate programmes. Students, who have to appear in Supplementary Examination to pass class XII or final year of degree course, are not eligible to seek admission, unless permitted by the M.P. Govt. and the University.
2. Students who have to appear for A.T.K.T. Examinations in I st or II nd year must take provisional admission to the higher class.
3. Regular and Provisional Admission to Post Graduate programmes will be as per the University/College rules for the particular programme.

Rules & Regulations

4. Those students who are not previously enrolled with the University must submit the enrollment form along with admission form. Those who are already enrolled must mention their enrollment no. on the admission form.
5. Decision of the Director/Principal with respect to admission shall be final.

RESERVATION : In the matter of reservation of seats, the College follows the provisions contained in the constitution of India and the decision of Supreme Court of India as applicable to self-financing educational institutions established and administered by MINORITY COMMUNITY.

FREE SHIP : Admission to candidates belonging to economically weaker section of the society will be in addition to stipulated seats to the maximum extent of 5% provided they have obtained prescribed marks at the qualifying examination. Such candidates may be granted exemption from payment of tuition fee prescribed for the course up to the maximum extent of 100 % depending upon the merits of each case. If more than one child of the same parents is studying in the College the younger of the two may be granted 50% concession in the tuition fee subject to his passing the examination in one attempt and possessing good conduct.

REFUND OF FEE : If a student is granted admission to any of the academic programs conducted by the College and deposits the fee in full or part, but subsequently does not join the course, or leaves the course at any time during the Year / Semester due to any reason whatsoever, his/her fee will not be refunded.

Similarly, **late fee will be charged**, if the student fails to pay the regular/ normal installments of fee by or on the last date prescribed.

ISSUE OF COLLEGE LEAVING CERTIFICATE : College leaving Certificate (C.L.C.) will be issued to a student only after completion of the concerned course in which he has been granted admission and clearance of all dues towards the College. Any request for issue of C.L.C. in mid session will not be entertained: Nevertheless students making such request will have to show reason to the satisfaction of the College authorities, and is supported by written consent of the parents. In such cases, if issue of C.L.C. is sanctioned, the concerned student will be required to pay the balance fee and dues for the whole session. Also the student should produce original documents and receipts as required by the College.

DISCIPLINE AND CODE OF CONDUCT : We value self-discipline and do not believe in policing. We have a lot of trust and faith in our students. We want students to live up to that trust. Students are required to observe the code of conduct prescribed by Devi Ahilya Vishwavidyalaya, and the College from time to time. Violations of the Instructions/ code of conduct and/or any behavior unbecoming of the College student will invite strict disciplinary action including fines, suspension, debarment from examinations, and expulsion from the College etc.

Students are expected to be courteous and friendly towards their fellow students. They should conduct themselves in a manner, which is conducive to promotion of healthy cooperative life.

- > Possession of objectionable articles such as firearms, sharp or blunt weapons of any kind, obscene literature or paintings etc. in the College campuses are strictly prohibited.
- > Damage to equipments and fixtures, and absenteeism will attract heavy deterrent fines besides disciplinary action.
- > Smoking, use of alcohol, chewing gum or gutka or tobacco, and use of mobile phones and use of polythene is strictly prohibited in the College Campuses
- > Students are not allowed to paste or circulate notices, pamphlets, posters, etc. in the College Campuses without prior permission from the Principal/Director. Students are also forbidden to invite any outsider to the College directly.
- > RAGGING or harassment of newly admitted/junior students is STRICTLY PROHIBITED. Any student found indulging in it is liable for expulsion from the College as well as criminal prosecution.

ATTENDANCE : Courses of professional nature requires a high degree of involvement, hard work and punctuality on the part of students. Indolent and indisciplined students have no place in the College. As per M.P. Govt. & University rules 75% attendance is compulsory in class/practical sessions, Students who do not fulfill the requirement of 75% attendance subject to restricted condonation for participation in University level co-curricular activities, may be debarred from appearing in the examinations. Holidays/Vacations will be as per the State Government/ University orders.

EXAMS: B.Sc., B.Com. and B.Com. (Hons.) courses have Annual System and the annual examinations are conducted in the month of March-April. All the other courses have Semester System and the end-semester examinations are conducted in the months of Nov-Dec and April-May of every academic session. To appear in the respective examination, the student must submit the filled in examination form along with the requisite examination fee by the prescribed dates.

The students must also deposit all the three installments (at the time of admission, First week of October, and First week of next January) of the college fee. Otherwise, they will not be allowed to appear in the examinations. To pass a semester-end examination, it is compulsory for a student to pass separately and individually also in all the three examinations i.e. internal, practical (if applicable) and theory examinations.

For detailed rules, regulations and information students may contact the Examination Cell.

JURISDICTION: In case of any dispute regarding admission to or conduction of any course or payment or refund of fee or any other matter concerning the activities of the College, the jurisdiction will be that of courts of Indore only.

Training & Placement Cell

TRAINING & PLACEMENT CELL: The academic rigor of the future leaders is made complete through the placement activities that introduce them to the corporate world. To fulfill the career needs of students, the College has a **Training & Placement Cell**, which comprises a Training & Placement Officer, Faculty Members and the Students. The functions of placement cell are as under:-

REGULAR INDUSTRY - INSTITUTE INTERACTION: The Training & Placement Cell is mainly responsible for establishing regular contacts with various organizations and industries. The Cell acts as an interface between students, faculty and corporate world to initiate continuous interaction with industry, sharing the industry experiences, understanding the needs of Industry and giving the required support to the corporate world. The Cell remains in constant touch with the corporate job market.

ARRANGEMENTS OF INTERVIEWS: The Placement Cell arranges **ON CAMPUS** and **OFF CAMPUS INTERVIEWS** for the students by the prospective employers. Job Fairs are also conducted. The Recruiting Companies are required to give a **Pre-Placement Talk (PPT)** before starting the selection process in the College Campus. The objective of **PPT** is to provide the students an opportunity to understand the organization, and to the recruiting company to highlight its requirement and careers it is offering to the students. The Institute provides necessary facilities to companies for conducting tests and campus interview for final placement. During the previous sessions a number of well-known companies visited the College for campus recruitments and Off-Campus Interviews were also conducted by them. The College is grateful to all the corporates for recruiting our students in increasing numbers.

PERSONALITY DEVELOPMENT PROGRAM: A sound personality in all respects brings success to a student's life. Cognizant of this requirement, the College offers a unique and invigorating program on **Personality Development** which is being very well received in the whole academic and professional areas. It enhances a student's excellence and his/her professional competencies.

This program covers:-

- | | |
|---------------------------|-----------------------|
| 1. Proficiency in English | 2. Public Speaking |
| 3. Group Discussion | 4. Resume Preparation |
| 5. Interview Preparation | 6. Memory Enhancement |
| 7. Extempore Speech | |

In order to cover all the aspects, regular classes are conducted in batches. Eminent speakers are also invited to deliver lectures on above topics. The workshops on personality development are also organised to train and equip the students to meet the real life challenges.

Training & Placement Cell

Our Recruiters

Reflections From Last Year Students

I studied under blessings and great teaching environment. I had achieved the top position under your guidance. My faculty enhanced my knowledge and always encouraged me to achieve the Goals. I get Practical knowledge merged with skills which proved to be a great combination to excel in the teaching field. I got excellent teaching knowledge resulting in clearance of "CTET" exam in the first attempt. I feel truly blessed.

Mrs Ritu Kousal, B. Ed.

It was a fantastic experience in Christian Eminent. Teaching faculty is well experienced and cooperative. Bioscience department has fully equipped labs, cordial atmosphere and good administration which help students to grow more in all fields. Teachers shape the students into a complete person in all manners. Proud to be the student of Christian Eminent College.

Anjani Saxena, M.Sc. (B.T.)

Graduating from Christian Eminent College was a wonderful experience for me. Thank you for providing me divine guidance and grooming me in many ways, supporting my efforts and celebrating my accomplishments. I am very glad I am still a part of this college for perusing M.Sc. (Biotechnology) from here. I am very thankful to all.

Rupali Jarwal, B.Sc. (B.T.)

My heartfelt thanks to Christian Eminent College for the outstanding work it is doing for the better future of students. A special vote of thanks to Department of Computer Science and Electronics for the moral support and guidance. There is a lot that students can learn from teachers. The reason why our college is at such a prosperous stage is because of our dedicated teachers. My special thanks to all the staff members and supporting staff that stood as strong pillars and achieved this success. Thank you so much for being there.

Srirang Subhedar, M.Sc. (C.S.)

Completing graduation (BBA) from Christian Eminent College was a remarkable moment for me. I was a biology student and could have topped in the exam with an aggregate 92.2% here I get to know about many new things like how to make Research projects by using SPSS tool which is quite interesting. Not only this, the college also provides placements opportunities. All in all I got the best experiences from the college.

Sreelakshmi Nair, B.B.A.

"A very safe, professional and friendly learning environment in institution. The Professors are very cooperative and make me eager to learn. High quality teaching, assessment and management of learning; teaching with real - time examples so I am able to understand better."

Shubhi Jain, B.Com VI (Hons)

Christian Eminent College is committed to the highest standards of education and other facilities for its students, and encourages students to provide the Institute with thoughtful and constructive feedback. Formal evaluations, together with informal comments and consultations, are used to groom the students. Staff is very cooperative. Mechanisms for students to pursue grievances and learning related issues are also solved. My experience has been really great.

Mragankshe Gujray, M. Com.

The team of Christian Eminent was very supportive and encouraging throughout my studies. I had a tough time juggling with my duties between motherhood and studies. With the continuous support of the teachers I was able to pass the exams with flying colors. I am always thankful to the teachers for their kind gestures during my days at college. Thanks for the blessings.

Niharika Sahu, M. Sc. (Chemistry)

It was a great time, spent in Christian Eminent College. I had a great learning experience in Christian Eminent College. It has a wonderful and cooperative faculty. The relation between faculty and student is very cordial, which has given me an opportunity to excel further. The two years spent here was splendid and had helped me to excel professionally as well as personally. Apart from academic, department offers various opportunities to enjoy our college days which was attracting us towards college many of the time. Apart from academic, department offered various extracurricular activities which groomed my personality.

Deepika Rajput, M.Sc. (Mathematics)

The years in Christian Eminent College passed swiftly providing students the knowledge, patience and real skills to compete in the real world. It gave me a platform to evaluate myself and to understand the potentials that was hidden inside me. These past three years not only helped me to broaden my knowledge horizon but also helped me discover more about myself.

Sandhya Mishra, B.Sc. (C.S.)

The appreciation and encouragement given to me by the teachers of Christian Eminent College during my college days helped so much in shaping my future. Teachers are very cooperative and motivate every student and give the right direction to grow into the challenging environment. Expressing my heartfelt gratitude to teachers.

Urvashi Burra, B.C. A.

I had completed my post graduation from Christian Eminent College, M. Sc. (C.S.) and I think it was my best decision to take admission in this college. It was a euphoric educational journey of my life via this institute. I would also like to thank the staff of this college. Everyone is helpful.

Shaista Khan, M.Sc. (C.S.)

I would like to convey my regards and thanks to college for their help in my placement in Axis bank. All the teachers of the college are enthusiastic and always ready to help. With the blessings of the parent, God & teachers I achieved this success.

Priyanka Jain, PGDCA

My learning experience at Christian Eminent College has been excellent and tremendous memory to cherish for a life time. College life is altogether an adventure, a bunch of sweet memories. I have received a great support from my teacher for providing a platform to enhance my skills and an opportunity to showcase them. Teachers are very helpful and always try to adopt a better way for teaching different things. I thank Christian Eminent College and faculty for putting in all efforts to groom the students. I loved every second of my time spent here at college.

Durga Dayar, PGDCA

The full Credit goes to Christian Eminent College for my success. Thank you so much parent, God and teachers of college. The wings you have given me, for having taught me how to soar up into the sky, expand my horizon and brush against to heaven.

Pragya Jain, PGDCA

I was a student of Christian Eminent College. I had completed my studies and participated in all the activities of the college. Sports and cultural activities were of high standard. Due to the encouragement and blessings of the teachers, I am now working as a music director in Mumbai. Thanks a million to mould me in this direction. I will always indebted to you in my life. Not only the faculty members, all the staff members and management are also good.

Arshad Jamaal Quereshi, B.Com. (Plain)

At the outset of fifth decade, a legacy of more than 3,00,000 students at school and college levels, speak amply about the dedication of Christian Eminent Group of Institutions towards Educational and Social Good. Founded by the Late Prof. Muzaffar Hussain Meer in 1977, the group has been guided to its present form by the eminent educationist Mr. Sameer Meer, mentor who is love and care personified.

Today, alumni of Christian Eminent are shining across the world and are playing a meaningful role in the global society.
